WELCOME TO WAYANAD

It’s Gods Own Country and it’s Gods Own Village – Venue for our Annual Conclave 2018. Szusicon 2018 is all set for the academic extravaganza. We the hosts are ready to welcome you to the 29th Annual Conference of Association of Southern Urologists, organized with the sole intent of showcasing scientific excellence combined with the scenic beauty of Wayanad which you cannot afford to miss.

We look forward to welcoming you to Wayanad and assure you a pleasant stay and productive academic sessions with a unique experience for you and your family.

We promise you an unforgettable conference.
Hall A

8:30 - 9:20 AM
Video session – LAP & ROBOTIC
Chair: Dr Harigovind P, Kozhikode; Dr Mujeeb-Ur-Rahman Thottathil, Mangaluru; Dr Dineshan K M, Kozhikode

1. Robotic Ureterocalicostomy for Pelviureteric Junction Stricture
Deepak Syed Md Ghouse, Bhavatej Enganti, Ragoori, Mohd. Taif Bendigeri, Purnachandra Reddy Kondakindi, Mallikarjuna Chiruvella
Department of Urology, Asian Institute of Nephrology & Urology, Hyderabad, Telangana

2. Laparoscopic ileal conduit in GUTB with solitary kidney
Department of Urology and Transplantation, Narayana Medical College, Nellore, Andhra Pradesh.

3. Laparoscopic Radical Cystoprostatectomy with Bilateral pelvic lymphadenectomy with ileal conduit
Department of Urology and Renal Transplantation, Narayana Medical College, Nellore, Andhra Pradesh

4. Robotized 3-Dimension laparoscopic RT Partial Nephrectomy: New Armamentarium
Krishnamohan R, Pankaj Bhirud, Khurshid Ahmed, Harigovind P
Department of Urology, Metromed Institute of Advance Urology and Renal Transplant Calicut, Kerala, India

5. Laparoscopic Mitrofanoff for valve bladder
Department of Urology, Narayana Medical College, Nellore, Andhra Pradesh

6. Laparoscopic ureteropyelostomy and deflux in a duplex system
Department of Urology and Renal Transplantation, Narayana Medical College, Nellore, Andhra Pradesh
2.05 – 4.00 PM
Nightmares of Laparoscopy
Dr C Mallikarjuna et al

4.05 - 4:50 PM
Video session - LAP & ROBOTIC
Chair: Dr Vaddi Chandra Mohan, Hyderabad; Dr Fredrick Paul, Kottayam; Dr AV Venugopal, Kozhikode

1. Robotic Nephron sparing surgery (R-NSS) for T2 lesion with high nephrometry score
Rakesh Sharma, Ashwin Giridhar, Subramanyeshwar Rao T
Department of Urology, Basavatarakam Indo American Cancer & Research Institute

2. Laparoscopic right seminal vesiculectomy for symptomatic right seminal vesical cyst in Zinner’s syndrome patient
Department of Urology and Renal Transplantation, Narayana Medical College, Nellore, Andra Pradesh

3. Laparoscopic Right Adrenalectomy for Pheochromocytoma
Rakesh Sharma, Ashwin Giridhar, Subramanyeshwar Rao T
Department of Urology, Basavatarakam Indo American Cancer & Research Institute

4. Laparoscopic Assisted Right Pediatric Nephrectomy with lymphadenectomy in Wilm’s tumor (Post NACT)
Rakesh Sharma, Ashwin Giridhar, Subramanyeshwar Rao T
Department of Urology, Basavatarakam Indo American Cancer & Research Institute

5. Dual Urogenital Fistulae in a patient after Hysterectomy
Chandra Mohan V, Ramakrishna P, Siddalinga Swamy, Manoj Kumar Y
Department of Urology, Preeti Urology & Kidney Hospital

6. Laparoscopic pyeloplasty in 28 day old neonate
Chandra Mohan V, Ramakrishna P, Siddalinga Swamy, Manoj Kumar Y,
Department of Urology, Preeti Urology & Kidney Hospital, Hyderabad

7 PM onwards
Inauguration and Welcome dinner

Hall B

8:30 - 9:20 AM
Video session - LAP & ROBOTICS
Chair: Dr Alagappan C, Trichy; Dr Natarajan K, Chennai;
Dr Deepak Dubey, Bengaluru; Dr. Krishnamohan Ramaswamy, Kozhikode.

1. Laparascopic nephrectomy for large renal tumor
Nivedita C, SeralKannan M, Yuvaraj K, Nishitha, Thangadurai, Muthu Veeramani
Department of Urology, S R M Institute for Medical Sciences, Chennai

2. Hilar clamping during robotic partial nephrectomy – N H experience
Prashanth Kulkarni, Furkhan Ahmed, Raj Ahmed, Murlidhar Achar
Department of Urology, Narayana Health, MSH, Bangalore, Karnataka

3. Laparoscopic Donor Nephrectomy in vascular anomalies – Is LEFT, the RIGHT choice?? Our early experience
Alagappan C, Mansoor M
Department of Urology, Apollo Hospitals, Trichy

4. Simultaneous bilateral robot assisted partial nephrectomy (RAPN) – operative technique
Deepak Dubey, Mohammed Shahid Ali, Thimmaiah, Shreekanth,
Department of Urology, Manipal Hospitals, Bengaluru

5. Robotized 3 dimensional laparoscopic Anderson-Hynes pyeloplasty for pelviureteric junction obstruction
Bhirud Pankaj, Ramaswami Krishnamohan, Ahmed Khurshid, Saleem Mohammad, PodiyedathHarigovind
Department of Urology, MetromedInstitute of Advanced Urology and Renal Transplant (MIART), Calicut, Kerala

6. Laparoscopic partial nephrectomy with nephrolithotomy for a complex lower polar cyst with lower calyceal partial stag horn calculus
Senthil K, Ramalingam M, Sivasankaran N
Department of Urology, Urology Clinic, Coimbatore
FRIDAY August 10, 2018

4.05 - 4:50 PM

Video session – LAP & ROBOTIC
Chair: Dr Kammela Sridhar, Hyderabad; Govardhan Reddy, Ballari; Dr Altaf Khan, Mangaluru; Dr. Ravi kumar, Kozhikode.

1. Robotic excision of complicated pelvic tumors – successful result
Sreedhar Kammela, Srinivas, Ram Murthy, Devaprasad
Department of Urology, Dr. Sreedhar's Kidney, Andrology & IVF Institutes, Mehdipatnam & Gachibowli, Hyderabad, Telangana

2. Robotic ureteroureterostomy for a case of right retrocaval ureter
Surya Prakash V
Department of Urology, Yashoda Hospital, Hyderabad

3. Lap assisted partial nephrectomy for hilar renal mass
Altaf Khan, Vinit Singh, Mujeeb-ur-Rahiman, Nischith D'souza
Department of Urology, Yenepoya Medical College Hospital, Mangaluru

4. Our technique of laparoscopic live donor nephrectomy
Vinit Singh, Mujeeb-ur-Rahiman, Altaf Khan, Nischith D'souza
Department of Urology, Yenepoya Medical College Hospital, Mangaluru

5. Robot assisted partial nephrectomy
Altaf Khan, Vinit Singh, Mujeeb-ur-Rahiman, Nischith D'souza
Department of Urology, Yenepoya Medical College Hospital, Derlakatte, Mangalore

FRIDAY August 10, 2018

Hall C

8:30 - 9:20 AM

Podium (BPH)
Chair: Dr Felix Cardoza, Kozhikode; Dr K P Balashanmugham, Mangaluru; Dr Nischith D Souza, Mangaluru

1. Role of TURP in underactive detrusor following long standing boo due to BPH
Govindarajan R, Periyasamy P, Palani N
Department of Urology, Government Kilpauk Medical College, Chennai

2. Post Holmium LASER enucleation of prostate continence – our technique and experience
Bhirud Pankaj, Ramaswami Krishnamohan, Ahmed Khurshid, Saleem Mohammad, Podyedath Harigovind
Department of Urology, Metromed Institute of Advanced Urology and Renal Transplant (MIART), Calicut, Kerala.

3. Early prediction of failure of medical management in Benign Prostatic Hyperplasia using C Reactive protein - A prospective analytical study
Saravanan K, Saravanan P R, Subramanian, Sivabalan, Ezhil Sundar, Arul V
Department of Urology, Institute of Urology, Madras Medical College

4. Post TURP strictures: are they often under reported? - A prospective observational study
Niranjan Raj P, Sriram Krishnamoorthy, Harihara Sudhan, Natarajan K
Department of Urology, Sri Ramachandra Medical College & Research Institute, Chennai

5. Clinical significance of prostatic resistive index as single parameter in benign prostatic enlargement
Shankar Gunadal, Suresh Bhat, Chandrasenan Nair, Frederick Paul, Suyog Shetty, Shubendu Bhaduri
Department of Urology, Government Medical College, Kottayam, Kerala

6. Relationship between testicular volume and semen parameters
Department of Urology, Madras Medical College, Chennai.
FRIDAY August 10, 2018

4:05 - 4:50 PM
Video session - MISCELLANEOUS

Chair: Dr R Keshavmurthy, Bengaluru; Dr Surya Prakash V, Hyderabad; Dr. P M Murali, Perinthalmanna; Dr. Manikandan M, Kozhikode.

1. Laparoscopic partial nephrectomy for endophytic lower polar renal tumor
   Surya Prakash V, Srikant Reddy D, Seshu Mohan K
   Department of Urology, Yashoda Hospital, Somajiguda, Hyderabad

2. Endoscopic Management of Ureteral Growth
   Muthu Veeramani, Nivedita C, Seral Kannan M, Yuvaraj K, Nishita, Thangadurai
   Department of Urology, SRM Institute for Medical Sciences, Chennai.

3. Laparoscopic partial cystectomy under cystoscopy guidance in a case of Urachal Adenocarcinoma
   Rakesh Sharma, Ashwin Giridhar, Subramanyeshwar Rao T
   Department of Urology, Basavatarkam Indo American Cancer & Research Institute

4. Martius flap for female urethral stricture
   Senthil K, Ramalingam M, Sivasankaran N
   Department of Urology, Urology Clinic, Coimbatore

5. Description of single lobe HOLEP at 20Watt settings
   Maneesh Sinha
   Department of Urology, NU Hospitals, Bengaluru

8:30 - 9:20 AM
Podium - Lap and Robotized Lap

Chair: Dr H K Nagraj, Bengaluru; Dr R Keshavmurthy, Bengaluru; Dr Mohammed Saleem, Mangaluru; Dr. AT Rajeevan, Kozhikode.

1. Robotized laparoscopy – a new armamentarium in key hole surgery, an Asian experience
   Ramaswami Krishnamohan, Bhirud Pankaj, Ahmed Khurshid, Saleem Mohammad, Podyedath Harigovind
   Department of Urology, Metromed Institute of Advance Urology and Renal Transplantation (MIART), Calicut, Kerala

2. Comparative study between Retroperitoneal and Transperitoneal laparoscopic donor nephrectomy
   Harsha HS, Krishna Prasad T, Venkatesh Krishnamoorthy, Department of Urology, NU Hospitals, Bengaluru

3. A comparative study of single port versus standard laparoscopic vs. open donor nephrectomy
   Hallikeri R, Neeraj Bhattarai, Nagabhushan M, Keshavamurthy R
   Department of Urology, Institute of Nephrourology, Bengaluru

4. Oncologic and functional outcomes of Laparoscopic partial nephrectomy – 7 year follow up
   Vijay Radhakrishnan, Datson George, George P Abraham
   Department of Urology, PVS Memorial Hospital, Kochi

5. Laparoscopic Sacrocolpopexy: Our experience in 57 cases
   Priyatham K, Nagaraj H K, Prakash Babu S M L, Tarun Dilip Javali
   Department of Urology, Ramaiah Medical College, Bengaluru

6. Robotized laparoscopy – a new armamentarium in key hole surgery, an Asian experience
   Ramaswami Krishnamohan, Bhirud Pankaj, Ahmed Khurshid, Saleem Mohammad, Podyedath Harigovind
   Department of Urology, Metromed Institute of Advance Urology and Renal Transplantation (MIART), Calicut, Kerala
FRIDAY August 10, 2018

4.05 - 4:50 PM
Podium
Chair: Dr Anant Kumar, New Delhi; Dr Sanjay Bhat, Aluva; Dr Mohammed Taif Ghouse, Hyderabad; Dr. N. Madhavan, Thrissur.

1. Toxic peri-nephric fat in minimally invasive partial nephrectomy: predictors and implications
Mohammed Taif Bendigeri, Mallikarjuna C, Purna Chandra Reddy, Deepak Reddy, Syed Mohammed Ghouse, Bhavatej Enganti
Department of Urology, Asian Institute of Nephrology and Urology

2. Laparoscopic management of ureteral strictures following ureteroscopy for ureteral calculi
Sandeep Nath, Sanjay Bhat H, Balagopal Nair, Tharun B K
Department of Urology, Rajagiri Hospital, Cochin, Kerala

3. Retzius sparing robotic radical prostatectomy versus conventional robot assisted radical prostatectomy: Prospective randomized controlled trial in a low volume setting without risk stratification
Himanshu Sharma, Vishnu R, Ramaprasad MK, Roy John, Kishore TA
Department of Urology, Aster Medcity, Kochi

4. Complications of V-LOC sutures in laparoscopy
Department of Urology, Narayana Medical College, Nellore, Andhra Pradesh.

5. Robot assisted partial nephrectomy in complex renal masses: Our experience
Anant Kumar, Rohit Kaushal, Ruchir Maheshwari, Samit Chaturvedi
Department of Urology, Max Super Specialty Hospital (Saket)

6. Study of spectrum of manifestations of Genito-urinary Tuberculosis: The prospective, observational study
Rony Jacob, Rajesh Reddy, Laxman Prabhu G G, Ranjit Shetty, Sanman K N, Prajwal Ravinder
Department of Urology, Kasturba Medical College, Mangalore

Hall E

8:30 - 9:20 AM
Podium (URO-PHARMACOLOGY)
Chair: Dr Kumar Prabhu, Bengaluru; Dr S B Patil, Vijayapura; Dr. Shanmughadas, Kozhikode

1. Effect of Silodosin, Darifenacin and combination therapy for treatment of ureteral stent related discomforts
Aquinas B, Ezhil Sundar V, Sivabalan J, Subramaniyan K, Saravanan K
Department of Urology, Madras Medical College

2. Medical expulsive therapy for ureteric colic: a randomized control trial
Department of Urology, BLDEU’S Shri B. M. Patil Medical College & Hospital Research Centre, Vijayapur

3. Audit on effect of NSAIDs on renal function following laparoscopic donor nephrectomy
Kuppurajan N, Mohd Mujtaba Shahbaz
Department of Urology, Kovai Medical Centre Hospital (KMCH), Coimbatore

4. A randomized controlled study of nifedipine and alfuzosin in the management of distal ureteric stones
Balaji A R, Prakash J V S, Nandhakumar, Arun Kumar, Arasi, Natarajan
Department of Urology, Government Stanley Medical College Chennai

5. Survey of fluid and drug practices in acute ureteric colic
Kumar Prabhu
Department of Urology, NU Hospitals, Bengaluru

6. Is single dose of prophylactic antibiotics sufficient in all patients undergoing endourological procedures for stones? - a retrospective study
Kamble Prasanna Kumar, Krishnamoorthy Venkatesh, Sinha Maneesh
Department of Urology, NU Trust Hospitals, Bengaluru
4:05 - 5.00 PM
Podium (PEDIATRIC UROLOGY/RECONSTRUCTION)
Chair: Dr Mallikarjuna Reddy N, Nellore; Dr R Vijayan, Kochi; Dr Prasanna Venkatesh, Dr. Mohanan. K, Kozhikode
1. Giant Anterior Urethral Diverticula – Diverse ways of presentation
Sreedhar Kammela, Srinivas, Ram Murthy, Devaprasad
Department of Urology, Dr.Sreedhar’s Kidney, Andrology & IVF Institutes, Mehdipatnam & Gachibowli, Hyderabad, Telangana
2. A prospective study on TIP repair in anterior hypospadias
Prakasa Rao, Prabhakar, Shivakumar
Department of Urology, GGH, Guntur
3. Rare type of PUV (type 3) – two diverse case scenarios
Santhosh Kumar A, Ravi Chandran R, Venu Gopal K, Paul Vincent D
Department of Urology, Meenakshi Mission Hospital and Research Centre, Madurai
4. Delayed presentation of valve bladder and its management
Department of Urology and Renal Transplantation, Narayana Medical College, Nellore, Andhra Pradesh
5. Outcome of urethroplasty in children and adolescent for post traumatic urethral disruption
Vedprakash Mahajan, Viswaroop S B, Arul M , Gopalapkrishnan G, Kandasami S V
Department of Urology, Vedanayagam Hospital, Coimbatore, Tamil Nadu
6. Role of Low Intensity Shock Wave Therapy (LI-ESWT) in Intractable ED – Growing Evidence
Sreedhar Kammela, Srinivas, Ram Murthy, Devaprasad
Department of Urology, Dr. Sreedhar’s Kidney, Andrology & IVF Institutes, Mehdipatnam & Gachibowli, Hyderabad, Telangana
7. Stricture Recurrence after Buccal Mucosal Graft Urethroplasty: A Single Institution Experience
Bala Bhaskar Reddy, Vasudevan T, Kalyanaram Kone, Joseph Philipraj, Mossadeq A
Department of Urology, Mahatma Gandhi Medical College & Research Institute, Pondicherry
8. Does Augmented Blandy’s perineal urethroplasty reduce re-intervention rate? A retrospective matched Cohort study
Sadanala Madhuri Evangeline, Anuj Deep Dangi, Rajeev Paul Mukha, Santosh Kumar, Nitin Kekre, Chandra Singh, Antony Devasia
Department of Urology, Christian Medical College and Hospital, Vellore
8:00 - 9:00 AM
Bangalore Urology Society Video Prize session
Chair: Dr Vijay Radhakrishnan, Dr G Chengalvarayan, Chennai
1. Total extraperitoneal robot assisted laparoscopic renal transplant recipient surgery
Vishnu R, Ramaprasad MK, Roy PJ, Deepak V, Kishore TA
Department of Urology, Aster Medcity, Kochi, Kerala
2. Laparoscopic reconstruction of total genito-urinary prolapse
Department of Urology, Narayana Medical College, Nellore, Andhra Pradesh
3. Robot assisted supine extraperitoneal approach for midline retroperitoneal masses using da vinci xi system
Ginil Kumar Pooleri
Department of Urology, Amrita Institute of Medical Sciences and Research Centre
4. Young dee’s bladder neck repair with redo augmentation of the augment and Monti continent catheterisable stoma
Department of Urology and Renal Transplantation, Narayana Medical College, Nellore, Andhra Pradesh
5. Laparoscopic Adrenalectomy in a New Born
Leela Krishna K, Ramesh Babu Sreenivasan, Natarajan Kumaraasan
Department of Urology, Sri Ramachandra Medical College & Hospital Research Centre, Chennai
6. Robot assisted partial nephrectomy in a completely endophytic renal tumor using drop-in USG probe for tumor localization
Thimaiah, Mohammed Shahid Ali, Srikanth, Sachin, Deepak Dubey
Department of Urology, Manipal Hospital, Bangalore

9:05 - 10:00 AM
Troubleshooting in PCNL
Dr Ravindra Sabnis; Dr H K Nagraj; Dr S K Pal; Dr V Muthu

10:05 - 10:30 AM
ASU-Prof H S Bhat Oration
Chair: Dr C Mallikarjuna, ASU President; Dr G G Laxman Prabhu, ASU Secretary
“Intestines in Urology-the Lap way”
ORATOR: Dr Ramalingam M, Coimbatore

10:35 - 11:00 AM
Prof. P B Sivaraman Endowment lecture
Chair: ASU President; Dr C Mallikarjuna, Dr G G Laxman Prabhu, ASU Secretary
“Setting up Uro-oncology specialty: Indian at heart and Global in Spirits”
SPEAKER: Dr Makarand Kochikar, Miraj

11:05 - 11:35 AM
ASU-NU Hospitals Medal for Pediatric Urology debate
Moderator: Prof. K. Sasidharan, Trivandrum
Debaters: Dr Prasanna Venkatesh, Bengaluru
Dr Mallikarjuna Reddy, Nellore
“Unresolved vesico-ureteral reflux in a child-STING versus Reimplantation”

11:40 - 12:00 noon
Dr Jeyasekaran Medal for Ideas and Innovations
Chair: Dr Krishnasamy Kannan, Trichy; Dr Santosh Kumar, Vellore
1. Prosthetic graft for urethral substitution for patients with urethral loss
Department of Urology and Renal Transplantation, Narayana Medical College, Nellore, Andhra Pradesh
2. Necessity is the mother of all innovations!
Sathish Kumar RM
Department of Urology, Velammal Medical College and Research Institute, Madurai
3. Renal response to graded warm ischemia - A preclinical study
Vinit Singh, Mujeeb-ur-Rahiman, Vipin C, Sindhupriya E S, Prema Saldanha
Department of Urology, Yenepoya Medical College Hospital, Derlakatte, Mangalore

4. A Novel (Minimally Invasive) Approach to Treat Refractory Chyluria - (simultaneous bilateral approach)
Alagappan C, Mansoor M
Department of Urology, Apollo Hospitals, Trichy

5. Prospective comparison between open and robot assisted kidney transplant: our initial results
Anant Kumar, Samit Chaturvedi, Ruchir Maheshwari, Pragnesh Desai
Department of Urology, Max Super Specialty Hospital, (Saket)

6. Partin's nomogram (2011) and its performance in high risk carcinoma prostate – A South Indian cohort
Shree Vishnu, Siddarth. R, Priyank Bijalwan, Ginil Kumar Pooleri
Department of Urology, Amrita Institute of Medical Sciences and Research Centre, Kochi.

1. The Efficacy of the EORTC Scoring System and Risk Tables for the prediction of Recurrence and Progression of Non-Muscle-Invasive Bladder Cancer
Department of Urology, Institute of Nephrourology (INU), Bengaluru

2. Home urodynamic, a boon to neurogenic bladder patients: a prospective validatory study
Department of Urology and Renal Transplantation, Narayana Medical College, Nellore, Andhra Pradesh
9:00 - 10:00 AM
Podium (URO-ONCOLOGY)
Chair: Dr Ragavan N, Chennai; Dr Chandrasenan Nair, Kottayam; Dr Sathyendran Nambiar, Kannur.

1. Neoadjuvant Chemotherapy protocol and down staging of the invasive bladder carcinoma
Department of Urology, Kilpauk Medical College And Government Royapettah Hospital, Chennai

2. An Array of Adrenal Incidentalomas- Case Series
Sai Venkat Manoj T, Saravanan J, Srinivasan T, Senthil D, Senthii Kumar T, Muthu V, Vairavel P, Meyyappan R M
Department of Urology, SRM Medical College And Hospital, Kattankulathur, Chennai

3. RCC with IVC thrombus – a 15 year single centre experience
Shreedhar G K, Priyank B, Ginil Kumar
Department of Urology, Amrita Institute of Medical Sciences

4. Quality of Life in patients receiving intravesical BCG for Non Muscle Invasive Bladder Cancer
Arun P R, Suresh Bhat, Chandrasenan Nair, Fredrick Paul, Preeja J M, Neerav, Shreedhar, Shankar
Department of Urology, Government Medical College, Kottayam

5. Comparative study of complications of ileal conduit versus ureterosigmoidostomy for invasive bladder cancer
Thaha Rashid P T, Manikandan N, Shanmughadas A V, Madhavan N, Rajeevan A T, Dineshan K M, Venugopal A V, Felix Cardoza
Department of Urology, Government Medical College, Kottayam

6. Prognostic significance of the combination of preoperative HALP (hemoglobin and albumin levels and lymphocyte and platelet counts) in patients with Bladder carcinoma after Radical Cystectomy
Navaneeth, Manohar CS, Shivakumar V, Nagabhushan M, Keshavamurthy R
Department of Urology, Institute of Nephrology, Bangalore

4:05 - 5:05 PM
Podium (URO-ONCOLOGY)
Chair: Dr Rajeevan AT, Kozikode; Dr M Shivalingaiah, Bengaluru; Dr. Rajesh K. Kumar, Thrissur.

1. Impact of Radical Nephrectomy on Renal Function in patients with Renal Cell Carcinoma
Rayeez Rasheed, Manikandan M, Madhavan N, Rajeevan A T, Shanmugha Das K V, K M Dineshan, Venugopal A V, Felix Cardoza
Department of Urology, Government Medical College, Calicut

2. Clinicopathological Profile and Surgical Outcomes of Patients of Upper Tract Urothelial Cancer Undergoing Radical Nephroureterectomy
Mayank Jain, Manohar C S, Keshavamurthy R
Department of Urology, Institute of Nephrology, Bangalore

3. Minimal access surgery for T1b Renal Tumors
Syed Mohammed Ghose, Mallikarjuna C, Purna Chandra Reddy, Deepak Reddy, Bhavatej Enganti, Mohamed Taif Bendigiri
Department of Urology, Asian Institute of Nephrology and Urology

4. To Assess the Safety and Efficiency of Holmium Laser Transurethral Resection of Urinary Bladder Tumor
Bhirud Pankaj, Ramaswami Krishnamohan, Ahmed Khurshid, Saleem Mohammad, Podiyedath Harigovind
Department of Urology, Metromed Institute of Advanced Urology and Renal Transplant (MIART), Calicut, Kerala

5. De novo renal tumor in native kidney following renal transplant
Kuppurajan N, Mohd Mujtaba Shahbaz, Vivek Pathak
Department of Urology, Kovai Medical Centre Hospital (KMCH), Coimbatore

6. Neutrophil- Lymphocyte Ratio and Its Clinicopathological Significance in Urological Malignancies
Department of Urology, Kasturba Medical College Hospital, Mangaluru, Karnataka

7. Role of pre-operative transarterial renal angioembolisation in radical and cytoreductive nephrectomy
Sathyanarayanan M, Saravanan K, Saravanan P R, Subramanian, Sivabalan, Ezhil Sundar
Department of Urology, Madras Medical College &R.G.G.H
4:05 - 5:05 PM
Podium (TRAUMA)
Chair: Dr. Vinay Kundargi, Vijayapura; Dr Maniyur Raghavendra, Mysuru; Dr. K M Dineshan, Kozhikode.

1. A Retrospective Study of evaluation and management of Urogenital Trauma – Our institutional Experience
   Department of Urology, Stanley Medical College, Chennai, Tamil Nadu

2. Spontaneous rupture of kidney: a case series of 3 cases
   Shanti Vardhan G, Kalyanabalu, Sameer Bagadia, Gopichand M
   Department of Urology, Krishna Institute of Medical Sciences, Secunderabad

3. Ureteral Avulsion – A Single Centre Experience
   Leela Krishna K, Venkataramanan, Vel Murugan, Natarajan Kumearasan
   Department of Urology, Sri Ramachandra Medical College & Hospital, Research Hospital

4. Urogyneacological Injuries in a Tertiary Care Centre: Our Experience
   Anuj Jain, Swapnil Kadam, Nilesh Guru, Patil B S, Kundargi V S, Patil S B
   Department of Urology, Shri BM Patil Medical College and Hospital Research Center, Vijayapur

5. Factors predicting the outcome of native arterio-venous fistula for haemodialysis: Prospective study
   Jawahar B K, Ramesh H, Manohar C S, Shivalingaiah M, Keshavamurthy R
   Department of Urology, Institute of Nephrourology, Bangalore

6. Urologic complications post cadaveric renal transplant – a single institutional experience
   Hemnath U A, Vezhaventhan G, Govindarajan P, Ilamparuthi C, Saravanan K
   Department of Urology, Institute of Urology, Madras Medical College and Rajiv Gandhi Government General Hospital, Chennai

7. Use of holmium laser and flexible ureteroscope in obstructed transplanted kidney
   Shanti Vardhan G, Kalyanabalu, Sameer Bagadia, Gopichand M
   Department of Urology, Krishna Institute of Medical Sciences, Secunderabad
1. Factors Predicting the Outcome of Arterio-Venous Fistula in CKD Patients
Department of Urology and Renal Transplantation, Narayana Medical College, Nellore, Andhra Pradesh

2. Outcomes of Arteriovenous fistulae in elderly patients
Vinay K, Krishna Prasad T, Venkatesh Krishnamoorthy
Department of Urology, NU Hospitals, Bengaluru

3. Deceased Donor Renal Transplantation- An Institutional Experience of 24 Years
Department of Urology, Stanley Medical College, Chennai, Tamil Nadu

4. Outcome of Cadaveric Renal Transplantation: A Prospective Observational Study
Jagadish Kaushik B, Yogeshwaran K, Neelakandan, Chandru T, Natarajan K
Department of Urology, Sri Ramachandra Medical College & Research Institute, Chennai

5. Testicular Strain Elastography in Fertile and Infertile Men - A Comparative Prospective Study
Department of Urology, Govt. Kilpauk Medical College & Hospital

6. Comparison of Open and Laparoscopic Varicocelectomies in Terms of Operative Time, Sperm Parameters, and Complications
Saurabh Kale, Manikandan M, Shanmugha Das, Madhavan N, Rajeevan A T, Dineshan K M, Venugopal A V, Felix Cardoza
Department of Urology, Government Medical College, Kozhikode, Kerala

1. A Prospective Comparative Study of Standard PCNL and Tubeless PCNL
Department of Urology, KMC & GRH, Dept. of Urology, KMC, Kilpauk, Chennai

2. Metabolic evaluation in first time and recurrent urinary stone formers
Prakash M, Shivacharan N, Shivakumar V, Manohar C S, Sreenivas J, Keshavamurthy R
Department of Urology, Institute of Nephrology, Bangalore

3. Percutaneous Nephrolithotomy in patients with Chronic Kidney Disease: Our Institutional study
Pramod Adiga, Sanjay R P, Vishwanatha R, Keshavamurthy R
Department of Urology, Institute of Nephrology, Bangalore

4. Stentless Ureteroscopy for Uncomplicated Distal Ureteral Stones: A Prospective study
Department of Urology, Govt. Stanley Medical College, Chennai

5. A Comparative Study of ‘PCNL with Nephrostomy Tube’ Vs ‘tubeless PCNL’
Vivek K Gowda, Sandeep Puvvada
Department of Urology, M.S.Ramaiah Medical College, Bangalore

Anuj Arora, Natarajan K, Chandru T, Neelakandan R, Goutham Reddy
Department of Urology, Sri Ramachandra Medical College and Research Institute, Chennai

7. Comparison of various RIRS scoring systems in Prediction of stone free rate after RIRS for renal and upper ureteric calculi: An Institutional Experience
Shanti Varthan G, Kalyanbabu, Sameer Bagadia, Gopichand M
Department of Urology, Krishna Institute of Medical Sciences, Secunderabad

8. Determination of Attenuation Values of Urinary Calculi by Non Contrast Computed Tomography and Correlation with Outcome of Extracorporeal Shock Wave Lithotripsy - A Prospective Study
Ramesh D, Prasad Mylarappa, Sandeep Puvvada, Rakesh K Janna
Department of Urology, Ramaiah Hospital and Medical College, Bengaluru
Hall E

9:00 - 10:00 AM
Podium (UROLITHIASIS)
Chair: Dr Chandra Sekhar Agrawal, Nepal; Dr Bobby Vishwaroop, Coimbatore; Dr Rajeev T P, Gawhati; Dr. George C. Joseph, Kozhikode
1. Correlative analysis between severity of urinary stone disease and lab parameters and it's implication in assessing high risk groups: an institution al study
Shanti Vardhan G, Kalyanbabu, Sameer Bagadia, Gopichand M
Department of Urology, Krishna Institute of Medical Sciences, Secunderabad
2. Prediction of outcomes of renal and ureteric calculi using STONE score
Department of Urology, Narayana Medical College, Nellore, Andhra Pradesh
3. Factors Affecting Post ESWL Stone Clearance for Lower Pole Solitary Renal Calculus
Sony Mehta, Krishnamoorthy H, Praveen B, Naveen M, Kalpesh S, Ganesh S, Mohan P. Sam, Biju Pillai
Department of Urology, Lourdes hospital, Kochi, Kerala
4. Should we actively treat patients with asymptomatic renal stones undergoing ureteroscopy for symptomatic ureteral stone?
Pramod Jethwani, Viswaroop S B, Arul M, Gopalakrishnan G, Kandasami S V
Department of Urology, Vedanayagam Hospital Coimbatore, Tamil Nadu
5. Angio-embolisation for post PCNL bleeds – Our institutional experience
Jagadish Kaushik B, Neelakandan, Chandru T, Natarajan K
Department of Urology, Sri Ramachandra Medical College & Research Institute, Chennai
6. The study of Mini-Micro PCNL safety and efficacy in the management of renal calculi of size 1-2 cm
Chethan V N, Arun Chawla, Manjunath Venkatachalaiah
Department of Urology, Kasturba Medical College, Manipal

4:05 - 5:05 PM
Podium (INFECTION)
Chair: Dr M Ganesh Kamath, Chennai; Dr Amrith Rao, Bengaluru; Dr Rajeev Thekke Puthalath, Mangalore; Dr. Unnikrishnan, Kozhikode
1. Primary seminal vesicle abscess: A Diagnostic Dilemma
Fahim LH Rajiwate, Shreedhar Reddy
Department of Urology, Raja Rajeswari Medical College and Hospital, Bangalore
2. Sepsis after ureteroscopic lithotripsy- a study of risk factors
Prashanth N, Govindrajan, Sivasankar, Periasamy, Senthivel
Department of Urology, Government Kilpauk Medical College
3. Urinary Tuberculosis: A Retrospective Study
Anand, Prakash J V S, Balaji A R, Arasi, Natarajan
Department of Urology, Government Stanley Medical College, Chennai
4. Novel Prognostic Scoring System in emphysematous pyelonephritis
Balaji A R, Prakash J V S, Nandha kumar, Arun Kumar, Arasi, Natarajan
Department of Urology, Government Stanley Medical College, Chennai
5. Genitourinary Tuberculosis –Ureteric Strictures –Our Institutional Experience In Management
Manikandan M, Vezhavendhan, Chengalvarayan, Harry Santhaselvan, Anton Uresh Kumar, Balasubramaniam, Govindarajan P, Saravanan K
Department of Urology, Madras Medical College, Rajiv Gandhi Govt General Hospital
6. Urinary Tuberculosis: A Retrospective Study
Anand, Prakash J V S, Balaji A R, Arasi, Natarajan
Department of Urology, Government Stanley Medical College, Chennai
7. Stone culture -as independent predictor of post-operative septic events and surgical outcomes
Department of Urology, KMC Hospital Mangalore
8. Assessment of modalities of evaluation of genitourinary tuberculosis
Arun Chawla, Akshay Kriplani
Department of Urology, KMC, Manipal
Best Poster Session

Chair: Dr Ashok Pandit, Mangaluru; Dr Ravi Kumar, Kozhikode; Dr Avudiappan, Tirunelveli; Dr. S P Rajan, Kozhikode; Dr. Ilango An, Kozhikode.

1. Management of Upper Ureteric Strictures: A Case Series of 34 Cases from Single Centre
Mohammed Taif Bendigeri, Mallikarjuna C, Purna Chandra Reddy, Deepak Reddy, Syed Mohammed Ghouse, Bhavatej Enganti
Department of Urology, Asian Institute of Nephrology and Urology, Hyderabad

2. Collecting Duct Carcinoma of the Kidney – Our Experience
Abhilash Cheriyan, Rajiv Paul Mukha, Chandra Singh J, Antony Devasia, Ninit Kekre
Department of Urology, Christian Medical College Vellore

3. Urological Manifestations of Pelvic Gastrointestinal Stromal Tumour and Their Management – A Case Series
Sumanta Kumar Mishra, Ranilochan Boaz, Sudhindra J, Chandra Singh J, Santosh Kumar, Ninit S Kekre, Antony Devasia
Department of Urology, Christian Medical College, Vellore

4. Unusual Presentations of Penile Shaft Garrotting: A Review of 3 Rare Cases
Utsav Shah, Velmurugan P, Hari Hara Sudan S, Sriram K, Venkatramanan S
Department of Urology, Srimachandra Medical College and Research Institute

5. Diverticular Colovesical Fistulas: Presentation, Management and Outcome: Our Experience
Gaurav Kalra, Amit Kumar, Suraj Hegde, Arun Ramdas Menon, Rajeev T P
Department of Urology, KS Hegde Medical Academy, Mangaluru

Vedprakash Mahajan, Viswanthrop S B, Arul M, Gopalakrishnan G, Kandasami S V
Department of Urology, Vedanayagam Hospital, Coimbatore, Tamil Nadu

10. Synchronous Multifocal Urothelial Malignancy: A Bladder Preserving Approach
Amit Kumar, Suraj Hegde, Arun Ramdas Menon, Rajeev T P
Department of Urology, K S Hegde Medical Academy, Mangaluru

11. Primary Adrenal Schwannoma with Catecholamine hypersecretion
Rony Jacob, Rajesh Reddy, Laxman Prabhu G, Ranjit Shetty, Sanman KN, Prajwal Ravinder
Department of Urology, Kasturba Medical College, Mangalore

12. Midureteric adynamic segment – A Rare entity
Shivendra Singh Tiwari, Ravichandran R, Venugopal K, Paul Vincent D
Department of Urology, Meenakshi Mission Hospital and Research Centre
SUNDAY August 12, 2018

8:55 - 9:55 AM
Andrology - Video presentation
Penile Prosthesis Implantation - Strategies for an optimum outcome
Dr. Tony Thomas John, Alappuzha – Co-ordinator
Dr. Ashish Sabharwal, New Delhi

10:00 - 11:00 AM
The ASU-Prof Nalini Venugopal Clinico-Pathological – Conference
Case from Lourdes Hospital, Kochi
Moderator & Presenter: Dr H Krishna Moorthy, Kochi
Discussant: Dr Arun Chawla, Manipal
Pathologist: Dr (Mrs) Jophy Varghese, Kochi

11:05 - 11:35 AM
Chair: Dr C S Ratkal, Bengaluru; Dr Kammela Sridhar, Hyderabad
“REVISITS” - Dr M G Kamath/Dr Ganesh Gopalakrishnan

11:40 AM - 12:00 noon
Chair: Dr M Gopichand, Hyderabad; Dr K Kannan Tiruchy; Dr Sridharan Unni, Kozhikode
Female Urethral Stricture - Dr Shailesh Shah, Amdavad

12:10 - 12:30 PM
VALEDICTORY FUNCTION

12:30 PM
LUNCH
• Adrenal Pseudocyst- A rare case of adrenal renal fusion, mimicking a cystic renal mass
  Prashanth N, Govindrajan, Sivasankar
  Department of Urology, Government Kilpauk Medical College, Chennai

• Primary Squamous Cell Carcinoma of the Testis: A Case Report
  Shriyansh Chahar, Suresh Bhat, Fredrick Paul, Chandrasenan Nair, Mahesh M S, Suraj Jajoo
  Department of Urology, Government Medical College, Kottayam

• Fibroepithelial polyp of the prostatic urethra in a young male
  Himanshu Sharma, Vishnu R, Ramaprasad M K, Roy John, Kishore T A
  Department of Urology, Aster Medcity, Kochi

• Renal transplantation in duplicated ureters – Institutional experience
  Department of Urology, Stanley Medical College, Chennai

• Paratesticular cellular angiofibroma — a rare benign tumour
  Shubhendu Bhaduri, Suresh Bhat, Fredrick Paul, Suyog Shetty, Shankar
  Department of Urology, Government Medical College, Kottayam

• Idiopathic Benign retroperitoneal cyst- A case report
  Prakasarao B, Durga Prasad, Lallyh, Shiva Kumar P
  Department of Urology, GGH Guntur

• Small cell carcinoma of prostate a clinical surprise – How we managed it
  Shree Vishnu Siddarth R, Appu Thomas
  Department of Urology, Amrita Institute of Medical Sciences and Research Centre, Kochi

• Trans-urethral injection (TUI) of bulking agent (Deflux) for management of female urinary incontinence after pelvic fracture urethral injury
  Tharun B K, Sanjay Bhat, Balagopal Nair, Sandeep Nath
  Department of Urology, Rajagiri Hospital, Aluva, Kochi

• Adrenocortical Oncocytoma - A rare case scenario
  Girish H M, Ranjith Shetty, Sanman K N, G G Laxman Prabhu, Tushar Dani
  Department of Urology, Kasturba Medical College, Mangalore, Karnataka

• Vascular complications after Renal transplant
  Nivedita C, Seral Kannan M, Yuvaraj K, Nishita, Thangadurai, Muthu Veeramani
  Department of Urology, S R M Institute for Medical Sciences, Chennai

• Exotic sites of presentation for metastatic renal cell carcinoma-Our experience and a brief systematic review
  Sony Mehta, Krishnamoorthy H, Praveen B, Naveen M, Kalpesh S, Ganesh S, Mohan P, Sam, Biju Pillai
  Department of Urology, Lourdes hospital, Kochi, Kerala

• An unusual emergency presentation of a renal mass
  Anuj Arora, Natarajan K, Chandru T, Neelakandan R
  Department of Urology, Sri Ramachandra Medical College and Research Institute, Chennai

• Mixed epithelial stromal tumour of the kidney – A rare case report
  Arjun Prakash J, Rahul Devraj, Vidya Sagar, Ramchandraiah, Raghuveer, Charan Kumar, Ram Reddy
  Department of Urology, Nizam’s Institute of Medical Sciences, Hyderabad

• Uterine and Ureteral Sarcoma – a rare combo and unusual presentation
  Darshil Shah, Sriram Krishnamoorthy
  Department of Urology, Sri Ramachandra Medical College and Hospital, Chennai

• Cystitis Cystica Glandularis- asymptomatic presentation of a rare disease
  Harikrishnan M, Deepak David, Devaprasath Jeyasekharan
  Department of Urology, Dr Jeyasekharan Hospital, Nagercoil

• Primary genito urinary tuberculosis in adult- A Case report
  Harikrishnan M, Deepak David, Devaprasath Jeyasekharan
  Department of Urology, Dr Jeyasekharan Hospital, Nagercoil

• Bell's palsy - a rare presentation of unilateral testicular non-Hodgkin's lymphoma
  Varun Laddha, Arun Chawla, Archana S
  Department of Urology, Kasturba Medical College, Manipal

• Unusal presentation of urinary incontinence in adult male - a case report
  Sampath Kumar K, Deepak David, Devaprasath Jeyasekharan
  Department of Urology, Dr Jeyasekharan Hospital, Nagercoil
• Case of polypoid cystitis in a male without history of catheterization
Rakesh Ranjan, Satheesh K, Narain K, Nrapendra S, Surjeet D
Department of Urology, Government Medical College, Trivandrum

• Primary renal synovial sarcoma - A rare entity and a diagnostic dilemma!
Utsav Shah, Natarajan K, Chandru T, Neelakandan R
Department of Urology, Sri Ramachandra Medical College and Research Institute, Chennai

• A case report of intravesical migration of intrauterine contraceptive device after cesarean section
Vasantha Rajaraj, Darsan S, Naveen K, Aravind S G, Nirmal K, Manu M K, Venugopal G
Department of Urology, Government Medical College, Trivandrum

• Mucinous Tubular spindle cell carcinoma of the Kidney in Post renal transplant recipient – A new unusual variety
Krishnamurthy Karthik, Lakshan Murugesan, Shanmugasundaram Rajai
Department of Urology, MIOT International, Chennai

• Ureterocervical fistula following caesarian section—an unique case
Latha G
Department of Urology, Govt. Medical College & Hospital, Pudukottai

• Spontaneous Isolated Bladder rupture following Normal Vaginal delivery: A unique case report
Akhshy Batta, Vijay Kumar R, Girish T D
J S S Medical College and Hospital, M G Road, Mysuru

• Primary Pelvic Hydatid cyst: A rare & unusual Case with Urinary retention
Akhshy Batta, Vijay Kumar R, Girish T D
J S S Medical College and Hospital, M G Road, Mysuru

• Collecting duct carcinoma of the kidney – our experience
Abhilash Cherian, Rajiv Paul Mukha, Chandrasingh J, Antony Devasia, Nitin Kekre
Department of Urology, Christian Medical College Vellore

• A rare case of isolated renal hydatid
Sai Venkat Manoj T, Saravanan J, Srinivasan T, Sethil D, Sethil Kumar T, Muthu V, Vairavel P, Meyyappan R M
Department of Urology, SRM Medical College and Hospital, Kattankulathur, Chennai

• Abdominal pseudocyst secondary to VP shunt along with left stag horn renal calculus management: a rare case report
Ajay Kumar G, Prasad Babu, Anil M
Department of Urology, Sentini Hospitals, Vijayawada

• Granular cell tumor of urinary bladder in adult female: a case report
Ajay Kumar G, Kalyan Koti, Prasad Babu, Anil Kumar M
Department of Urology, Sentini Hospitals, Vijayawada

• Nephrocutaneous fistula
Govindarajan R, Sivasankar G, Thiyagarajan P
Department of Urology, Kilpauk medical college hospital / Government Royapettah hospital, Chennai

• Retained DJ stent presenting as urethral foreign body
Sasikumar J, Prathiletej, Srinivas B
Department of Urology, Mamata Medical College and Super Speciality Hospital

• Case report of largest glomus tumor of kidney with Review of Literature
Shreedhar G K, Praveen Sundar, Appu Thomas
Department of Urology, Amrita Institute of Medical Sciences, AIMS Poonakara, Kochi

• A Rare Variant of Zinner Syndrome – A Case Report
Department of Urology, Govt. Kilpauk Medical College & Hospital

• Leiomyosarcoma of renal pelvis - A case report
Prakash Rao B, Prabhakar M, Shiva Kumar P
Department of Urology, GGH GUNTUR

• Management of complicated genitourinary tuberculosis – our institutional experience
Sivasankar G, Jayaganes P, Thiyagarajan P
Department of Urology, Kilpauk Medical College Hospital / Govt. Royapettah Hospital, Chennai

• Rare Occurrence of a Poorly Differentiated Neuroendocrine Tumor of the Bladder
Praveen B Sancheti, Naveen M N, Sony Bhaskar Mehta, Kalpesh, Ganesh, Biju S. Pillai, Mohan P. Sam, Krishnamoorthy H
Department of Urology, Lourdes Hospital, Kochi, India

• Spontaneous rupture of a renal angiomyolipoma following ureterorenoscopy, pneumatic lithotripsy and DJ stenting: case Report Go to:
Rajamanickam M G, Sivasankar G, Thiyagarajan P
Department of Urology, Govt. Royapettah Hospital, Chennai
**Unmoderated Posters (Display only)**

- **Giant Primary Prostatic Urethral Calculi: A Rare Case**
  Department of Urology, BLDEU'S Shri B. M. Patil Medical College & Hospital Research Centre, Vijayapur

- **Audit on effect of NSAID's on renal function following laparoscopic donor nephrectomy**
  Kuppurajan N, Mohd Mujtaba Shahbaz
