## Message from President USI

**DR. RAJEEV T P**

President, USI

Dear Colleagues,

It gives me immense pleasure to extend my warm greetings to all members of the Association of Southern Urologists on the occasion of 36<sup>th</sup> Annual conference to be held at Vijayawada from 11<sup>th</sup> -13<sup>th</sup> July'2025. This much anticipated event is not only a celebration of academic excellence but also a testament to the unwavering commitment of the Southern Urological fraternity to the advancement of our specialty.

Over the years, Association of Southern Urologists has consistently set high standards in scientific deliberation, clinical practice, and collaborative learning. The diversity and depth of knowledge shared at this conference continue to enrich the larger Urological community and strengthen our collective resolve to offer the best possible care to our patients.

I commend the Organising Committee for their dedication and tireless efforts in putting together a stimulating academic program. This conference provides a valuable platform for seasoned experts, young Urologists, and trainees alike to exchange ideas, share innovations, and explore future directions in Urology.

On behalf of the Urological Society of India, I wish the conference a grand success and hope it fosters meaningful interactions, enduring collaborations, and renewed enthusiasm in our pursuit of excellence.

With warm regards and best wishes,

**Dr Rajeev T P**  
**President**  
**Urological Society of India**

## Message from Secretary USI

**DR. UTTAM METE**

Hon. Secretary, USI

Dear Friends & Colleagues

I feel honoured and find great pleasure in sending this message as Honorary Secretary of the Urological Society of India for the 36<sup>th</sup> annual conference of ASU scheduled to be held in Vijayawada on the 11th-13<sup>th</sup> July, 2025.

At the outset, I would like to thank the organising Committee of SZUSICON 2025, for the kind invitation. I congratulate the council of SZUSI for bringing out interesting scientific programme for SZUSICON 2025, which includes live operative workshop on day 1. ASU is a large body having a large number of teaching faculty. I am sure it will be a real academic feast as close interactions between the eminent faculty members and delegates are on the card. ASU has got dynamic President, Secretary and very active Council and trying their best to have a meaningful annual conference which will benefit all the delegates. I am confident that the faculty will do a wonderful job.

I am sure, the organizing committee with Dr. C V Satish Kumar as the organizing chairman, and Dr. Dhreeraj Kasaraneni as the organizing secretary and their team would make this conference a cherishable even. I hope your time in Vijaywada will be productive and will be a great source of inspiration & knowledge for the years to come.

I wish the organizer a grand success

**Prof.Dr. Uttam K.Mete**

Hon. Secretary, USI

## Message from President ASU

**DR. G. CHENGALVARAYAN**

President, ASU

Vijayawada had always been a place known for its hospitality and we are eager to cherish the same this time also. Dr.Sathish Kumar, Dr Dheeraj, Dr.Ajay and the organising team of Vijayawada had been extremely cooperative and considerate with the ASU. We are really thankful to them

We ASU as a scientific body have improvised a lot in the last few years. We had been able to keep pace with the latest technological developments around us.Thanks to the teaching of our seniors and endurance in learning the new techniques by our youngsters. Our Annual Conferences have always reflected this scientific improvement.

SZUSICON 2025 at Vijayawada will be no exception to this.It had been our Plea right from the beginning of this year that we need to interact with the other zones and USI frequently in our programs as it would help our youngsters showcase their abilities to everyone across the country. We are sure you would support this in the present and in the future

Iam extremely thankful to our Secretary Dr.Chandramohan Vaddi who is vibrant and committed to the cause. Iam also blessed with an excellent council that had always been contributory and supportive.

As we stand united and strong as the largest zonal body of our country, It's your continued support to the present and future councils which will help us all achieve greater heights as an Association in the years to come

Thank you for your support and blessings

Warm regards,

*G. Chengalvarayan*

**Dr G Chengalvarayan**

**President, ASU**

## Message from Secretary ASU

**DR. CHANDRA MOHAN VADDI**

Honorary Secretary, ASU

Dear Members of ASU,

Greetings from the Association of Southern Urologists.

This year holds special significance for me as the Honorary Secretary of ASU.

It has been a privilege to curate the scientific program for our 36th Annual Conference of ASU, with the guidance of our esteemed President Dr G Chengalvarayan and the valuable support of the Council members.

The scientific program this year is truly unique, with Eight sub-specialty meetings designed to recognize the talent of both young and senior urologists across various disciplines. The organizing team in Vijayawada, especially Dr. Dheeraj Kasaraneni, is working tirelessly to ensure the success of this event.

It is heartening to see a growing number of young urologists joining ASU. I sincerely hope they continue to actively participate in our academic activities in the years to come.

With these words, I extend my best wishes to the entire Vijayawada team for a highly successful and memorable conference.

Warm regards,

A handwritten signature in black ink, appearing to read 'V. Chandra Mohan Vaddi'.

**Dr. Chandra Mohan Vaddi**  
**Honorary Secretary**  
**Association of Southern Urologists**

## Message from President SOGUS

### **DR. JAGADEESHWAR THIRUKOVELA**

President SOGUS AP & TELANGANA

It is my privilege to pen the message for SZ USICON at Vijayawada , the 36th annual conference of Association of Southern Urologists.

Ever since the venue of 36th annual conference of ASU has been decided, the organising secretary, Dr Dheeraj and his team have been on the toes in planning and executing the preparations for SZUSICON 2025 at Vijayawada.

Dr ChengalvaRayan, the president of ASU along with his ASU council has been a guiding force to Dr Dheeraj and his team in the preparation of the conference.

Dr Dheeraj and his organising team have not left any stone unturned in sketching the conference program . The conference is going to have programs for young urologists like cricket match and exclusive academic events. Food with variety of dishes shall enthral the delegates. There shall be events for accompanying persons. Sight-seeing tours and visit to Goddess Kanaka Durga shall be memorable.

The conference is going to have excellent academic program with rich content, sketched and carved by Dr Chandra Mohan, the honorary secretary along with his ASU council and SZUSICON 2025 organising team. The same shall surely bind the academic delegates to the halls only.

I wish Dr Dheeraj and his team all the best in making every aspect of 36th Annual conference of ASU, SZUSICON a perfect ones.

Undoubtedly the conference shall come out as a master piece , which surely, would be memorable for many years.

I wish the conference a grand success and an event to be cherished for long time.

Thanking you

**Dr Jagadeeshwar Thirukovela**  
**PRESIDENT SOGUS AP & TELANGANA**

## Message from Secretary SOGUS

The 36<sup>th</sup> annual conference of association of southern urologists which will be held between 11<sup>th</sup> to 13<sup>th</sup> july 2025 at vijayawada is organized by vijayawada association of genitourinary surgeons (VAGUS). As a member of this vibrant society, it gives me immense pleasure and honour to host this conference.

The city is well connected and has the legacy of hosting many prestigious conferences and other academic events. The organising team is working tirelessly to make this a grand academic feast. Apart from this, various activities are also planned to keep all the delegates and accompanying persons actively involved and engaged throughout. With the blessings of almighty and your support, i wish SZUSICON 2025 at vijayawada will be a landmark conference for all of us.

Regards

**G. Srinivasa Rao**  
Honorary Secretary  
SOGUS AP & TS

## Message from Founder President VAGUS

**Dr. P. Srimannarayana**  
Founder President, VAGUS

It gives me immense pleasure to welcome you all to the South Zone Conference of the Urological Society of India being held at Vijayawada, Andhra Pradesh. As the Incharge of the Scientific Committee, I extend my heartfelt greetings to all the esteemed seniors, colleagues, and budding urologists who have gathered here to be part of this academic feast.

Dr. Chandra mohan Vaddi, honorary secretary of ASU, have meticulously planned a rich scientific program that promises to be both informative and stimulating. The conference will feature engaging academic sessions covering a wide array of topics in urology, delivered by distinguished faculty and experts in the field. I am confident that these sessions will not only enhance our knowledge but also inspire meaningful discussions and new perspectives.

In addition, we have organized an excellent operative workshop showcasing advanced surgical techniques in BPH management. This exposure will undoubtedly be of great value to both practicing urologists and postgraduate trainees.

Apart from academics, we assure you of warm hospitality reflective of our culture. Our team has also arranged delightful cultural events that will give you a glimpse of the vibrant traditions of Andhra Pradesh. We hope these moments of camaraderie and entertainment will make your stay even more memorable.

I thank each one of you for being a part of this conference and contributing to its success. Looking forward to fruitful interactions and a wonderful time together in Vijayawada.

**Dr. P. Srimannarayana**  
Founder President, VAGUS

## Message from President VAGUS

**Dr. Ravi Shankar**

VAGUS President

A warm welcome to all the delegates of 36th annual conference of South Zone Urology. Vijayawada is place where you will have mix of both academics and entertainment. Scientific programme is designed with high quality content.

Goddess Sri Kanaka Durgamma blessings add to our efforts of making this programme a grand success.

On behalf of VAGUS – Vijayawada association of genitourinary surgeons

I welcome you all for this conference.

**Dr. Ravi Shankar**

VAGUS President

## Message from Secretary VAGUS

**DR. G. AJAY KUMAR**

Secretary VAGUS

Dear Friends and Colleagues,

Warm greetings to all!

As the Secretary of VAGUS – Vijayawada Association of Genitourinary Surgeons, it gives me great pleasure to welcome you to SZUSICON 2025, being held in the vibrant city of Vijayawada.

Our team at VAGUS is proud to host this important conference. We have worked with dedication to ensure that your experience is smooth, meaningful, and enjoyable – from the scientific sessions to the hospitality and cultural activities. I sincerely thank the Association of Southern Urologists and the local organizing team for their constant support. I'm also grateful to our sponsors and partners for helping bring this event to life.

We hope that your time in Vijayawada will be filled with learning, meaningful connections, and warm memories.

Looking forward to welcoming you all.

**Dr. G. Ajay Kumar**  
**Secretary - VAGUS**

## Message from Chief Patron

**DR. C. NAGESWARA RAO**

Former Honorary Secretary & President of USI

Message from former Hon. Secretary & President, Urological Society of India

Dear Friends, Namaste,

It is with great humility, pride, and a deep sense of honor that I address you today. I have had the unique privilege of serving as the Honorary Secretary and President of the Urological Society of India, and I look back on that journey with immense gratitude.

One of the significant milestones during my tenure from **1987 to 1999** was the formation of the four **zonal sections** of our Society. These zones were envisioned as **autonomous bodies**, and I am pleased to note that they continue to function independently-free from oversight or control by the parent body. The **zonal meetings**, over the years, have upheld exceptional standards, comparable to our **national annual conferences** and even to prestigious international gatherings.

At its heart, medicine is a **covenant**-a solemn promise to serve humanity. The mission of the Urological Society of India is firmly rooted in the **promotion of the highest standards of urological care** for the public. This mission reflects our unwavering commitment to that sacred responsibility.

I would like to briefly touch upon a matter of great relevance to our profession today:

### **Medical Ethics in Today's Society**

The foundation of an ethical medical practice lies in core values-**honesty, integrity, loyalty, courage, and respect for moral character**. In the often-uncertain world of clinical medicine, ethics guides us to make sound decisions. As we advance in science and embrace new technologies, **bioethics** must reorient the culture and philosophy of our healthcare institutions, our decision-making bodies, and our communities at large. While the physical risks of emerging technologies are frequently evaluated, their **moral implications** deserve equal, if not greater, attention.

Let us, as a Society and as individuals, continue to **strive-for more, for better, and even for what some may call "Utopia."**

I close with a timeless Chinese proverb:

**"Each generation builds a road for the next."**

A road has been built for us. Now, it is our **responsibility**-our **privilege**-to build the road for the generations to come.

**Om sahanaavvatu Sah nau bhunaktu  
Sah veeryan karvaav hai  
Tejaswi naavadhitamastu maa vidvishaav hai**

**Together we move.  
Together we grow.  
Together we prosper.**

Vande Maataram, Jai Bharat

*Nageswara Rao*  
18th July 2025

## Message from Host Organising Secretary – SZUSICON 2004, Vijayawada

### **DR. K. PRASHANTH KUMAR**

Chairman, Prashanth Hospital  
Host Organising Secretary – SZUSICON 2004, Vijayawada

It brings me immense satisfaction to witness the return of SZUSICON to Vijayawada after more than two decades.

In 2004, when we first had the honour of hosting this prestigious event, our intention was to bring focused academic dialogue and national visibility to the field of urology in this region. Today, to see SZUSICON 2025 unfold in a city that now embraces advanced urological practices — including robotic surgery — fills me with quiet pride and deep contentment.

The world of urology has witnessed transformative growth, but what has remained constant is the spirit of learning, collaboration, and fraternity that defines SZUSICON.

I extend my warm congratulations to the organising team of SZUSICON 2025 for their thoughtful execution and vision. To all delegates, I hope this conference brings new knowledge, lasting friendships, and cherished memories.

**Warm regards,**

**Dr. Prashanth Kumar Kasaraneni**  
**Chairman, Prashanth Hospital**  
**Vijayawada**

## Message from Org. Chairman

**DR. C. V. SATISH KUMAR**  
Organizing Chairman

Dear Delegates, Faculty & Guests,

At the outset, I extend my heartfelt gratitude to the President, Secretary, and the Executive Committee of the Association of Southern Urologists for giving us the honour of hosting SZUSICON 2025 here in Vijayawada.

Our city holds a proud place in the history of Indian urology. Vijayawada hosted the 20th Annual Conference of the Urological Society of India in 1986, under the visionary leadership of Dr. Nageswara Rao Garu, and later SZUSICON 2004. It is a matter of great pride to bring this prestigious event back to our city.

Vijayawada has always stood for learning and hospitality. We're delighted to host you and share not just academics, but the warmth of our region.

The enthusiasm shown by delegates across all age groups and backgrounds speaks volumes about the spirit of this conference. What makes SZUSICON 2025 special is the coming together of pioneers and young minds — a celebration of both experience and energy. While the scientific program is at the core, we've also curated cultural evenings, heritage trails, and outdoor activities to make the experience memorable for all.

On behalf of the organising team, I warmly invite you all to this SZUSICON 2025 Conference, where we hope to celebrate camaraderie and connection.

Thank you once again, and welcome to SZUSICON 2025.

With warm regards,

**Dr. Chavali Venkata Satish Kumar**

Organizing Chairman

SZUSICON 2025 – Vijayawada, Andhra Pradesh

## Message from Org. Secretary

### **DR. DHEERAJ KASARANENI**

Organising Secretary, SZUSICON 2025

Consultant Urologist & Managing Director, Prashanth Hospital – Vijayawada

It gives me immense pride and joy to welcome you all to SZUSICON 2025, hosted in the culturally rich and academically vibrant city of Vijayawada.

Organising this conference has been both a responsibility and a privilege. Our aim was to create a meeting that blends cutting-edge academics with genuine connection, and every element of SZUSICON 2025 – from scientific content to delegate experience – was designed with that vision in mind.

#### **This year's edition has been a landmark in many ways:**

- ◆ With nearly 1000 registered delegates, it stands as one of the most well-attended zonal conferences in ASU history.
- ◆ We welcomed 75 trade stalls, reflecting strong industry collaboration.
- ◆ We curated a wide range of meaningful experiences – academic and beyond – that added energy and inclusivity to the event.

From the immersive Legacy Tunnel, to the serene Temple Darshan, the enthusiastic BPH Awareness Walkathon, the refreshing Eco Park Trek, and the high-energy Cricket Tournament, every activity was designed to bring people together – to learn, to engage, and to celebrate our fraternity.

On a personal note, this conference holds special meaning. In 2004, my father Dr. Prashanth Kumar Kasaraneni hosted SZUSICON in Vijayawada. Twenty-one years later, it has been my honour to carry that legacy forward – not just as his son, but as a proud member of a new generation of urologists.

My heartfelt thanks to the Executive Committee of ASU, our core organising team, sponsors, volunteers, and most importantly, you – the delegates – for making SZUSICON 2025 a truly memorable event.

We hope this conference leaves you with new insights, warm connections, and unforgettable memories.

**With warm regards,**

**Dr. Dheeraj Kasaraneni**

**Organising Secretary – SZUSICON 2025**

## Chief Guest Message

**DR. RAMESH DESI GOWDA**

Professor & Associate Dean, RMCH

It is a privilege to be part of SZUSICON 2025, a conference that continues to uphold the rich academic and collegial traditions of the Association of Southern Urologists.

Over the years, SZUSICON has grown into a premier platform where learning, leadership, and legacy come together — nurturing both the science and spirit of urology.

This year's edition in Vijayawada stands out for its scale, meticulous planning, and thoughtful execution. The effort taken by the organising team — to balance robust scientific content with meaningful delegate engagement — is truly commendable.

Conferences like SZUSICON not only update our clinical knowledge but also help strengthen the bonds within our fraternity. They remind us that progress in medicine is not just about innovation, but about shared purpose and collective effort.

My heartfelt appreciation to the hosts, the local organizing team, and every contributor behind the scenes. I extend my best wishes to all delegates for an enriching and memorable experience.

**Warm regards,**

**Dr. Ramesh**

**Chief Guest – SZUSICON 2025**

	Feasibility of bladder neck reconstruction	Dr. Ganesh Gopala Krishnan, Coimbatore	
	C-Arm Guided Miniperc – step by step	Dr. Madhusudan Agrawal, Agra	
	Urodynamics: basic to advanced	Dr. Sanjay Sinha, Hyderabad	
	Surgical principles in minimally invasive partial nephrectomy	Dr. Mallikarjuna C, Hyderabad	
12:50PM – 01:20PM	<b>Session 5 -Prof.HS BHAT ORATION</b> <b>Chairpersons:</b> Dr G Chengalvarayan, President ASU, Chennai , Dr Chandra Mohan Vaddi, Honorary Secretary, ASU, Hyderabad		
	My Experiments with Urology	Dr Abdul Razack Mossadeq, Madurai	
01:20PM – 01:35PM	<b>Industrial Sponsored Cipla Session</b>		
01:20PM – 01:35PM	<b>Topic: Methenamine Hippurate – A new option for recurrent UTI management</b>	Dr. Sanjay Sinha, Hyderabad	
01:20PM – 2:00PM	<b>Lunch</b>		
02:00PM –04:00PM	<b>Session 5 -USI – ISU PROGRAM</b> <b>Convener:</b> Dr V Surya Prakash, Chairman Elect USI – ISU, Hyderabad		
40 Mins	<b>Session 1: PSMA PET – All You Need to know</b>		
	PSMA PET Imaging in prostate cancer – a guide for practicing urologist	Dr. Suneetha, AIG Hospitals, Hyderabad	
	Radioligand therapy in advanced prostate cancer – is it the game changer?	Dr. Suneetha, AIG Hospitals, Hyderabad	
	How do you interpret a renogram?	Dr. Ranadheer, MNJ Cancer Hospital, Hyderabad	
50 Mins	<b>Session 2: Nuclear Imaging in Upper Urinary Tract Obstruction – A Practical Guide (50 minutes)</b>		
	How Do You Interpret a Renogram?	Dr. Ranadheer, MNJ Cancer Hospital, Hyderabad	
	Well-Tempered Renogram – How You Do It?	Dr. Suneetha, AIG Hospitals, Hyderabad	
	Pitfalls of Renogram – Preop and Postop	Dr. Ranadheer, MNJ Cancer Hospital, Hyderabad	
	Case Discussions – Panel Discussion	<b>Moderator:</b> Dr. Surya Prakash, Hyderabad	
30 Mins	<b>Session 3: Next-Gen Technologies in Urology</b> <b>Introduction:</b> Dr. Bobby Viswaroop, Coimbatore		
	3D Modelling in Urology – From Pixel to Planning to Precision	Dr. Raghunath S K, Bengaluru	
	Novel Delivery Devices in Intravesical Therapy of NMIBC	Dr. Ginil Kumar, Kochi	
	CtDNA in Bladder Cancer	Dr. Manoj Tummala, CURI Hospital, Chennai	
04:10 PM – 05:10 PM	<b>Inauguration</b>		

# Scientific Programme

## Day 1 - 11<sup>th</sup> July Hall B

TIME	TOPIC	SPEAKER	CHAIRPERSON
08:00AM - 09:00AM	<b>Session 1 -FREE PAPER SESSION-1</b> <b>Chairpersons:</b> Dr. Sridhar, Visakhapatnam, Dr. Abhiram Kucherlapati, Visakhapatnam, Dr. Paul Vincent, Madurai, Dr. Anoop K Sankar, Thrissur		
	Efficacy of tamsulosin and deflazacort combination therapy for expulsion of distal ureteral stones	Dr. Raghavendra C Y, Mangaluru	
	Can commode type and duration of usage predict urinary incontinence in women? A nomogram for risk estimation	Dr. Rajamaheswari Natarajan, Chennai	
	Extracorporeal shock wave lithotripsy in paediatric patients: Factors influencing results and validation of pre-treatment nomograms	Dr. Sampaul Richard, Madurai	
	Should 18F - FDG PET/CT be the new standard for identifying pelvic nodal metastases in high risk penile carcinoma patients with palpable groin? - A prospective diagnostic accuracy study	Dr. Sandeep Kumar, Vellore	
	Comparative study of alfuzocin plus tadalafil with alfuzocin monotherapy in patients with LUTS Associated With BPH	Dr. Praveen Chandrashekhar Kamatagi, Ballari	
	Predicting stone passage: radiological and blood markers in medical expulsion therapy	Dr. Balaji S, Chennai	
	Use of artificial intelligence in the histopathological diagnosis of prostate cancer	Dr. Radha Deepak Lote, Belagavi	
10:50 AM - 12:40 PM	<b>Session 2 -ROBOTIC &amp; LAPAROSCOPY MASTERCLASS</b> <b>Convener:</b> Dr. M. Ramalingam, Coimbatore <b>Chairpersons:</b> Dr. Amit Saple, Visakhapatnam, Dr. Sathinandran Nambiar, Kannur, Dr. H. K. Nagaraj, Bengaluru, Dr. K. M. Madappa, Mysuru, Dr. Raghavender A., Nizamabad, Dr. Naidu, Guntur		
	Introduction	Dr. M. Ramalingam, Coimbatore	
5 +5 Minutes Each	<b>TECHNIQUES: (Faculty vs Floor each topic 5 +5 minutes)</b>		
	AI and augmented reality in robotic urology	Dr. Mohammed Ghouse, Hyderabad	
	Utility of ICG during robotic / lap partial nephrectomy in managing complex renal masses	Dr. T. Manohar, Bengaluru	
	Future technology in lap / robotic - tele-surgery, etc.	Dr. Nitesh Jain, Chennai	
	Single port robotic - is it here to stay or will not take off?	Dr. M. Ramalingam, Coimbatore (on behalf of Dr. Vipul / Dr. Jihad - Recorded Video)	
	Concluding remarks - evolving & futuristic training methodology in lap / robotic	Dr. M. Ramalingam, Coimbatore	
	AI and augmented reality in robotic urology	Dr. Mohammed Ghouse, Hyderabad	
5 +5 Minutes Each	<b>TECHNOLOGY: (Faculty vs Floor each topic 5 +5 minutes)</b>		
	AI and augmented reality in robotic urology	Dr. Mohammed Ghouse, Hyderabad	
	Utility of icg during robotic / lap partial nephrectomy in managing complex renal masses	Dr. T. Manohar, Bengaluru	
	Future technology in lap / robotic - tele-surgery, etc.	Dr. Nitesh Jain, Chennai	
	Single port robotic - is it here to stay or will not take off?	Dr. Deepak Dubey, / Dr. M. Ramalingam, Coimbatore (on behalf of Dr. Vipul / Dr. Jihad - Recorded Video)	

## Scientific Programme

TIME	TOPIC	SPEAKER	CHAIRPERSON
	Concluding remarks – evolving & futuristic training methodology in lap / robotic	Dr. M. Ramalingam, Coimbatore	
01:20 PM – 2:00 PM	Lunch		
02:00 PM – 3:00 PM	<b>Session 3 -PEDIATRIC UROLOGY MASTERCLASS</b> <b>Convener:</b> Dr. J Chandra Singh, Vellore <b>Panelists:</b> Dr. Chandra Singh J, Vellore, Dr. Rajendra B Nerli, Belagavi, Dr. Prasanna Venkatesh, Bengaluru, Dr. Balagopal Nair T, Ernakulam, Dr. N Mallikarjuna Reddy, Hyderabad		
02:00 PM – 3:00 PM	Nocturnal enuresis – when to panic?	Dr. Manoj Kumar, Alappuzha	
	Problematic pediatric foreskins	Dr. Prasanna Venkatesh, Bengaluru	
	The two sides of antimicrobial chemoprophylaxis in VUR	Dr. Barani Kumar, Coimbatore	
	Acute scrotum in children – differentiating the acute and not so acute	Dr. Ajay Kumar, Vijayawada	
	Post-natal scans with persistent hydronephrosis – when to intervene?	Dr. Prajwal Ravinder, Mangaluru	
	Conclusion Remarks	Dr J Chandra Singh, Vellore	
03:00 PM – 4:00 PM	<b>Session 4 -URO QUIZ ‘O’ MANIA</b> <b>Quiz Master:</b> Dr. Partho Mukherjee, Vellore		
03:00 PM – 4:00 PM	SOGUS	Dr. Vasavya Umapathi, Yashoda Hospital, Malakpet, Hyderabad	
		Dr. Srujan Babu Y, NIMS, Hyderabad	
		Dr. Rakesh Kumar A, NIMS, Hyderabad	
	UAK	Dr. Anushruthi Gopi, Calicut Medical College, Kozhikode	
		Dr. Prakhar Saxena, Rajagiri Hospital, Aluva, Ernakulam	
		Dr. Sharon Aseem, TD Medical College, Alleppey	
	KUA	Dr. Irappa Mahadev Kotagi, Shri B M Patil Medical College Hospital and Research Centre, Vijayapura	
		Dr. Siddhant Kumar, Kasturba Medical College, Manipal	
		Dr. Ankit Agarwal, Kasturba Medical College, Manipal	
	TAPASU	Dr. Ranjith Kumar M, Meenakshi Mission Hospital & Research Centre	
		Dr. Anantha Kumar, Tirunelveli Medical College	
		Dr. Mayank B Mishra, Vedanayagam Hospital	

# Scientific Programme

## Day 1 - 11<sup>th</sup> July Hall C

TIME	TOPIC	SPEAKER	CHAIRPERSON
08:00AM-09:00AM	<b>Session 1 -FREE VIDEO SESSION-1</b> <b>Chairperson:</b> Dr. Jagadeeshwar T, Hyderabad, Dr. Kousik Amancherla, Hyderabad, Dr. Harshavardhan Amancherla, Kakinada		
08:00AM-09:00AM	Suction in retrograde intra renal surgery - a game changer	Dr Adapa Sai Siddarth Shankar, Shri B M Patil Medical College and Research Centre, Vijayapura	
	Bilateral nephron sparing surgery by hybrid technique in VHL disease	Dr Ashwin Giridhar, Cytecure Hospital, Hyderabad	
	More than just the angle: case-based insights into surgical planning for peyronie's disease	Dr Bharath R, JIPMER, Puducherry	
	Laparoscopic transperitoneal excision of bladder diverticulum	Dr Bhavya Shree Shetty, Sapthagiri Medical College, Bengaluru	
	Retroperitoneal robot-assisted partial nephrectomy: technical nuances and outcome	Dr Chethan V N, ASTER MEDCITY, Cochin	
	Robotic-assisted partial nephrectomy for a complex hilar renal tumor using the da Vinci xi system	Dr Asadur Rahman Mohammed, Yenepoya Medical College, Bengaluru	
	Robotic assisted radical cystectomy with bilateral pelvic lymphadenectomy with Intra corporeal ileal conduit	Dr K.L. Janaki, Basavatarakam Indoamerican Cancer Hospital, Hyderabad	
10:50 AM – 11:50 AM 2+2 MIN	<b>Session 2 -MODERATED POSTER SESSION-2</b> <b>Chairperson:</b> Dr Chadra Mohan Godala, Ananthapuramu, Dr Vineet Sakhireddy, Hyderabad, Dr Goutham Gopinath, Payyannur, Dr Arun Kumar Paranjothi, Chennai		
10:50 AM – 11:50 AM 2+2 MIN	From obstruction to extravasation: urethral stricture with urethrocutaneous fistula	Dr Dayakar Surati, SRM Medical College Hospital and Research Center, Chennai	
	A rare case of veno-renal anomaly: our experience and approach	Dr Vivekanandan J, JSS Medical College, Mysuru	
	Cavernous hemangioma - a rare entity in renal lesion	Dr Aiswarya M Nambiar, Government Medical College Kozhikode	
	A plastic seed, a stony harvest – tale of a migrated IUCD	Dr Sanhitha Purushotham, Jawaharlal Nehru Medical College, KLE University, Belagavi	
	A puzzling scrotal mass: testicular manifestation of an extra-pancreatic solid Pseudopapillary neoplasm	Dr Subin R Mulla, Government Medical College Kottayam	
	Unmasking priapism: the rare role of a cavernous abscess in a unique clinical presentation and review	Dr Bhavyadeep Korrapati, SRMC, Chennai	
	Fungal bezoars in the bladder: an unusual cause of pneumaturia	Dr Partha Sri Mallipeddi, Medicovert Hospital, Hyderabad	
	Opening panora's box in the prostate: a rare case of ewings sarcoma of prostate with metastasis	Dr Punith Jain R, Sri Ramachandra Institute of Higher Education and Research, Chennai	
	A rare case of prolapsed inflammatory pseudotumor of the bladder	Dr Manoj Yatagiri kumar.y, Kim's hospitals, Kurnool	
	Genital lichen sclerosus with complete introital obliteration presenting as acute Urinary retention in a female – a rare case report	Dr Varun Agarwal, Kasturba Medical College, Manipal	
01:20 PM – 2:00 PM	<b>Lunch</b>		

## Scientific Programme

TIME	TOPIC	SPEAKER	CHAIRPERSON
<b>2:00 PM – 03:00 PM</b>	<b>Session 3 -FREE PAPER SESSION-2</b> <b>Chairperson:</b> Dr G Srinivas, Mangalagiri, Dr Rajeev Ayyappan R, Madurai, Dr N Srinivas, Hyderabad		
<b>2:00 PM – 03:00 PM</b>	A novel glutaraldehyde-functionalized rGO resistive sensor for prostate cancer biomarker (PCA3) detection	Dr Shweta Dharmaraj Rao, JNMC, Belagavi	
	Study of factors affecting insertion of ureteral access sheath in retrograde Intrarenal surgery	Dr Anupam Banerjee, Shri BM Patil Medical College, Vijayapura	
	Tamsulosin alone and in combination with deflazacort for medical expulsion therapy of distal ureteric calculus (<8mm): a randomized control study	Dr Gautam Girish, Kasturba Medical College, Manipal	
	Impact of biopsy approach on posterior dissection difficulty during robotic-assisted Radical prostatectomy: a prospective blinded study	Dr Sanchit Mittal, Amrita Institute of Medical Sciences, Kochi	
	Beyond antioxidants: the gut-testis axis as a novel target in male infertility	Dr Roshan Yeddula Reddy, Sri Ramachandra Institute of Higher Education and Research, Chennai	
	A prospective randomized double blind study on the efficacy and safety of intraoperative tranexamic acid in transurethral resection of prostate	Dr Ganesan G, Sri Narayani Hospital and Research Centre, Vellore	
	Perineal urethrostomy etiology and outcomes, experience at our centre	Dr Wasim Tanveer Jafri, NU Hospitals, Bengaluru	
<b>03:00 PM – 04:00 PM</b>	<b>Session 4 -FREE VIDEO SESSION – 2</b> <b>Chairperson:</b> Dr Purushotham, Ongole, Dr Prakash H S, Mysuru, Dr Raghavendran Maniyur, Mysuru		
<b>03:00 PM – 04:00 PM</b>	Caught in the mesh: laparoscopy's dual role in inguinal hernia repair	Dr Dayakar Surati, SRM Medical College Hospital and Research Centre, Chennai	
	A Retrospective case series of Laparoscopic assisted Robotic pyeloplasty surgeries in children	Dr Gautham Kazipet, NU hospitals, Bengaluru	
	Optimizing single-layer renorrhaphy in laparoscopic partial nephrectomy: Techniques using barbed sutures, Surgicel®, Veriset™, and sliding clips	Dr Goutham Vinod PC, Government Medical College, Kozhikode	
	Simplifying penile urethral reconstruction: from flaps to flapless solutions	Dr Goutham Vinod PC, Government Medical College, Kozhikode	
	Vascular injuries during robotic urological surgeries with SSI Mantra system	Dr Hemnath U.A. Anandan, Preeti Urology and Kidney Hospital, Hyderabad	
	Multitract supine PCNL for complex renal stones	Dr Hemnath U.A. Anandan, Preeti Urology And Kidney Hospital, Hyderabad	
	Laparoscopic anterior bladder flap neourethral reconstruction and autologous Sling in a case of female pelvic fracture associated urethral injury	Dr Vivek Vasant Rathod, AIIMS BBSR, Bhubaneswar	

# Scientific Programme

## Day 1 - 11<sup>th</sup> July Hall D

TIME	TOPIC	SPEAKER	CHAIRPERSON
08:00AM-09:00AM	<b>Session 1 -MODERATED POSTER SESSION -1</b> <b>Chairperson:</b> Dr Varaprasad, Vijayawada, Dr Trivedi Dondapati, Ongole		
08:00AM-09:00AM	Unveiling the enigma: pseudoepitheliomatous hyperplasia of the penis	Dr Balaji S, SRM Medical College Hospital & Research Centre, Chennai	
	RIRS - A minimally invasive solution with no bleeding risk - "Rethink, what you mean"	Dr Ranjithkumar M, Meenakshi Mission Hospital & Research Centre, Madurai	
	Primary obstructive megaureter presented with multiple distal ureteric calculi in Adult patient	Dr Praveen Chandrashekhar Kamatagi, Ballari Institute of Medical Science, Ballari	
	Complex interplay between colon and ureter: fistula formation after cancer	Dr Hafsa Fatima, SRM Medical College Hospital and Research Centre, Kattankulathur	
	Navigating dual challenges in complete androgen insensitivity syndrome (cais): a case report	Dr Aswin George Roy, Government Medical College, Kottayam	
	Megaureter megacystis syndrome (MMUS): megacystis megaureter syndrome diagnosed in an adult following minor trauma – a case report	Dr Sanjith Kamath N, Kasturba Medical College Manipal, MAHE Deemed to be University, Manipal	
	Determinants of survival in renal cell carcinoma with venous tumour thrombus: a comprehensive analysis of clinicopathological and surgical variables	Dr Vivek Meyyappan, Basavatarakam Indo-American Cancer Hospital, Hyderabad	
	Mini-ECIRS vs Standard ECIRS in Staghorn Calculi: Striking the Balance between Clearance and Complications	Dr Ashirwad Avinash Sankhe, Saveetha Medical College and Hospital, Chennai	
	Recurrent UTI in elderly male - Duplicated and ectopic ureter with ureterocele	Dr Raghavendra C Y, Wenlock Hospital, Mangaluru	
01:20 PM – 2:00 PM	Lunch		
02:00 PM – 03:00 PM	<b>Session 1 -FREE PAPER SESSION-3</b> <b>Chairperson:</b> Dr M Lakshmi Ramesh, Nellore; Dr Subeesh Parol, Kozhikode; Dr. Nischith D'Souza, Mangaluru		
02:00 PM – 03:00 PM	3D CT in renal stone surgery: a prospective comparison with 2D imaging in PCNL	Dr Roshan Yeddula Reddy, Sri Ramachandra Institute of Higher Education and Research, Chennai	
	Prevalence of prostate cancer among men undergoing TRUS guided prostatic biopsies, with correlation of serum PSA levels and distribution of Gleason grade groups: A single tertiary care centre experience	Dr Mukkani Velan, Apollo Hospitals, Chennai	
	Tracing the storm: a prospective evaluation of clinical trajectories and outcome Predictors in emphysematous pyelonephritis	Dr Suryaram Aravind, Sri Ramachandra Institute of Higher Education, Chennai	
	Anterior onlay buccal mucosal graft urethroplasty for female urethral stricture - initial experience and short-term outcomes	Dr S Shubhneet Singh Dua, Kamineni Institute of Medical Sciences & Kamineni Hospitals, Narketpally	

## Scientific Programme

TIME	TOPIC	SPEAKER	CHAIRPERSON
	Outcomes of 2 stage brachiobasilic arteriovenous fistula	Dr Shrikanth M, NU Hospitals, Bengaluru	
	When stones spark sepsis: insights from retrograde intrarenal surgery outcomes	Dr Suryaram Aravind, Sri Ramachandra Institute of Higher Education, Chennai	
	mNEWS 2 : a novel stratification tool for treatment outcomes in emphysematous Pyelonephritis	Dr Punith Jain R, Sri Ramachandra Institute of Higher Education and Research, Chennai	
<b>03:00 PM – 04:00 PM</b>	<b>Session 1 -MODERATED POSTER SESSION - 3</b> <b>Chairperson:.</b> Dr Rakesh Bisalehalli, Shivamogga; Dr Banu Teja Reddy P, Hyderabad; Dr Sivasankaran N, Coimbatore		
<b>03:00 PM – 04:00 PM</b>	Mucormycosis at postoperative wound site in a deceased donor renal transplant recipient	Dr Dema Krishnam Raju, Kamineni Hospitals LB Nagar, Hyderabad	
	Giant anterior urethral diverticulae – diverse ways of presentation	Dr Sreedhar Kammela, DR. Kammela Sreedhar's Kidney & Ivf Centres, Hyderabad	
	Hidden in hydronephrosis: MESTK mimicking a hydronephrotic kidney	Dr Owais Ahmed Patel, Amrita Institute of Medical Sciences, Kochi	
	Unraveling adrenal oncocytoma: clinical presentation, diagnosis, and surgical success	Dr Bhavya Shree Shetty, Sapthagiri Medical College, Bengaluru	
	A rare entity - a case report of zinner syndrome	Dr Sukumar R, Stanley Medical College, Chennai	
	A rare case of anterior vaginal wall venous malformation presenting as chronic Intermittent hematuria in a middle-aged female	Dr Soumith Subhash, Government Medical College, Kozhikode	
	Confrontation with an endocrine giant - a clinical exploration of a giant adrenocortical tumor	Dr Aiswarya M Nambiar, Government Medical College, Kozhikode	
	Synchronous adrenal myelolipoma with primary renal squamous cell carcinoma in a renal cyst: a case report	Dr Darshan Shetty, ESIC Medical College, PGIMSR and Model Hospital, Bengaluru	
	Spontaneous rupture of giant hydronephrosis in an elderly woman: a rare cause of acute abdomen	Dr Shubham Singh, KMC, Manipal	
	Posterior urethral growth: a buried secret	Dr Nikhil John, Government Medical College, Kozhikode	

# Scientific Programme

## Day 2 - 12<sup>th</sup> July Hall A

TIME	TOPIC	SPEAKER	CHAIRPERSON
08.00AM-09.25 AM	<b>Session 1 - UROLITHIASIS MASTER CLASS</b> <b>Convener:</b> Dr. Muthu Veeramani, Chennai <b>Chairperson:</b>		
	IVU vs CECT KUB vs Plain CT	Dr. Girish Nelvegi, Bengaluru	Dr. R. M. Sathish, Madurai
	Debate: LP Stone 2 cm – FANS RIRS vs Miniperc	Dr. Jithunath M. R, Thrissur Dr. Harprit Singh, Jamshedpur	<b>Panelists:</b> Dr. Kandarp Parikh, Ahmedabad, Dr. S. K. Pal, New Delhi
	Panel Discussion: Complicated Cases of PCNL (24 Minutes)		<b>Panelists:</b>
	Case 1: Complicated case of PCNL	Dr. G. Soundarya, Hyderabad	Dr. Keshavamurthy R, Bengaluru Dr. C. S. Manohar, Bengaluru,
	Case 2: Complicated case of RIRS	Dr. Karthickeyan N, Trichy	Dr. Abdul Razack Mossadeq, Madurai, Dr. Kalyanram Kone, Pondicherry
	Role of AI in Stone Disease	Dr. Zeeshan Hameed BM, Manipal	Dr. Visweswar Rao Ch, Guntur
	Semi Live Videos (24 Minutes)		<b>Moderators:</b>
	Supine PCNL	Dr. Harshavardhan A, Kakinada	Dr. Ponraj, Tirunelveli, Dr. T. Gnanasekaran, Madurai,
	FANS RIRS	Dr. Pavan Sai, Vijayawada	Dr. Shiva Kumar V, Bengaluru , Dr Joju Varghese Akkara, Thrissur
	Anomalous Kidney	Dr. Hemnath UA, Hyderabad	
9.30AM – 11.00AM	<b>Session 2 - BENGALURU UROLOGY SOCIETY BEST VIDEO SESSION (6+2 Minutes)</b> <b>Chairperson:</b> Dr M Ganesh Kamath, Chennai, Dr Ch Ram Reddy, Hyderabad, Dr Rahul Devraj, Hyderabad, Dr P Periasamy, Chennai		
9.30AM – 11.00AM	Robot-assisted right-sided radical nephrectomy with IVC thrombectomy: an interesting presentation with triple vein thrombus	Dr. Chethan V N, Aster Medcity, Cochin, Kerala	
	A novel technique of robotic assisted buccal mucosal graft uretero plasty for upper ureteric strictures with mucosal sparing non-transecting	Dr. Mukkani Velan, Apollo Hospitals, Chennai	
	Laparoscopic partial nephrectomy for tumor arising from completely fused pelvic kidney: technical challenges and surgical considerations	Dr. Rajesh Kumar Reddy Adapala, AINU, Hyderabad	
	Mastering oncological precision: the 5-space technique in robotic radical cystectomy – a video-based demonstration	Dr. Rakesh Channareddy Patil, Ramaiah Medical College, Bengaluru	
	Robot-assisted bilateral ileal ureter interposition with augmentation cystoplasty in genitourinary tuberculosis	Dr. Shiva Gour, JIPMER, Puducherry	
	Minimally invasive ileal reconstructions for bilateral long segment ureteric strictures	Dr. Soundarya G, Preeti Urology and Kidney Hospitals, Hyderabad	
	Taming the beast: retroperitoneoscopic robotic adrenalectomy for a giant pheochromocytoma	Dr. Tanmay Bharat Patravale, Amrita Institute of Medical Sciences and Research Centre, Kochi	
11.10 AM-11.55 AM	<b>Session 3 - KHIVRAJ MEMORIAL ASU SYMPOSIUM</b>		
11.10 AM-11.55 AM	Title: Should We Operate?	Preamble - Dr. S. Joseph Philipraj Sebastian	Moderator: Dr. S. Joseph Philipraj Sebastian, Pondicherry
	BPH and Carcinoma Prostate	Dr. Adipudi Venkata Ravi kumar	
	Urolithiasis and Upper Urinary Tract	Dr. S. Bobby Viswaroop, Coimbatore	
	Pediatric and Reconstructive Urology	Dr. Vinod K.V, Kochi	
	Underlying Factors and Professional Responsibility	Dr. Tarun Javali, Bengaluru	
	Conclusion / Summary	Dr. S. Joseph Philipraj Sebastian	

# Scientific Programme

TIME	TOPIC	SPEAKER	CHAIRPERSON
12:05 PM-12:45 PM	Session 4 -ASU - NU HOSPITALS BENGALURU MEDAL FOR PAEDIATRIC UROLOGY DEBATE		
12:05 PM-12:45 PM	Ureterocele Management – Incision Versus Primary reconstruction		<b>Moderator:</b> Dr. P.B.Barani Kumar, Coimbatore
	Debaters		
	For Primary reconstruction	Dr Ajay Kumar G, Vijayawada	
	For Incision	Dr Deepak David, Nagercoil	
12.55 PM – 01.35 PM	SESSION 5 - INFODEMICS IN UROLOGY <b>Convenor:</b> Dr. Rajeev T. P, Guwahati, <b>Moderator:</b> Dr. K. Nanjappa Mumbai		
12.55 PM – 01.35 PM	Welcome & Session Overview	Dr. K. Nanjappa, Mumbai	
	Moderated Session on Basics of INFODEMICS. What Are Infodemics? Why Should Urologists Care? Quinary Prevention: Shielding Patients from Harmful Information.	<b>Presenter:</b> Dr. Nanjappa, Mumbai	<b>Panelists:</b> Dr. Anirudha Gokhale, Dr. Nitesh Kumar, Dr. Vivel Birla
	Case-Based Scenarios: Lessons from the Clinics	<b>Moderator</b> Dr. Vivek Birla	<b>Panelists:</b> Mr. Shreya Deepum – Social Media Expert Three invited clinical faculty members
	Audience Interaction : Cross sectional dialogue Practical insights on digital presence, credibility, online professionalism.	Dr. K. Nanjappa, Mumbai	
	Takeaways & Closing Summary	Dr. Rajeev T. P, Guwahati	
	01:35 PM to 01:50 PM	Industrial Sponsored Cipla Session	
	Topic: Evolving treatment options for management of urethral strictures	Dr. Pankaj Joshi, Pune & Dr. Bhavatej , Hyderabad	
01:35PM – 2:20PM	Lunch		
02.20PM – 03.30PM	Session 5 -ASU'S - INTER ZONAL SESSION <b>Convenor:</b> Dr. G. Chengalvarayan, President, Association of Southern Urologists		
02.20PM – 03.30PM	<b>Theme: “Old Order Changes Yielding Place to New”</b>		Moderators: Dr Nitin Kekre, Vellore , Dr Ganesh Kamat M, Chennai
	1a Open surgeries still hold a place in stone disease	Dr. Anil Kumar Sanwal,	
	1b.Minimally invasive procedures are the order of the day	Dr.Harprit singh	
	2a.T2NOMO MIBC upfront radical cystectomy is more practical	Dr. Prashant Mulawkar, West Zone	Moderators: Dr Keshavamurthy R, Bengaluru Dr D Ramesh, Bengaluru
	2b.Neoadjuvant chemotherapy is the protocol	Dr. Shyambabu Prasad	
	Will state-of-the-art investigations take over routine clinical examination?	Dr. Ashish Rawandale Patil, West Zone	Moderators: Dr Rajesh Tiwari, Patna ,Dr Krishnasamy Kannan, Trichy
	4a.Open surgeries in uro-oncology – how we learnt is to stay	Dr.Sameer Trivedi	Moderators: Dr R M Meyyappan, Chennai , Dr Vinod K V, Kochi
	4b. It’s a matter of time before robotics completely takes over	Dr. Anup Kumar	
03.40PM – 05.10PM	Session 6 -URO ONCOLOGY MASTERCLASS <b>Convenor:</b> Dr. Rakesh Sharma, Hyderabad		
	<b>Session 1 – Bladder Cancer (23 Minutes)</b> Coordinator – Dr. YM Prashanth, Hyderabad		<b>Chairpersons:</b> Dr. N Ragavan, Chennai, Dr. Uttam Mete, Chandigarh, Dr. T Rajaraman, Chennai
	50 year male, 3 cm PL wall solitary bladder tumor, no CIS, TURBT done, HPE –pT1, high grade, muscle free. Re- TURBT – no residual tumor. Debate – BCG vs Intravesical chemotherapy (Gem + Doce)	Dr. N.Srivatsa/ Dr. Arun Menon	
	Panel discussion in MIBC?	Moderator - Dr. Nirmal TJ, Vellore	<b>Panelists –</b> Dr. Uttam Mete, Dr. Manoj Tummala, Dr. Deepak Kaddu, Dr.Sepuri Bala Ravi Teja, Dr. Amaresh Mohan
	Q and A – 3 minutes		

## Scientific Programme

TIME	TOPIC	SPEAKER	CHAIRPERSON
	<b>Session 2 – Prostate Cancer (25 Minutes)</b> Co-ordinator – Dr.Vivek Meyyapan, Hyderabad		Chairperson – Dr. S K Raghunath, Bengaluru, Dr. Ginil Kumar P, Kochi, Dr Ch.Naidu, Visakhapanam
	55 year old, H/o significant LUTS x 3 years, PSA 22 ng/ml, MpMRI – PIRADS 5 lesion both lobes? Left SV involvement, Biopsy – 8/12 core positive – Adenocarcinoma prostate 4 + 4 = 8, PSMA PET – no pelvic lymph node, no distant mets	Dr. Mujeeb, Mangaluru/ Dr. R.Srivathsan, Apollo Chennai	
	Debate – Radical Prostatectomy + Adjuvant ADT+ Radiation Therapy Vs NAHT + RT +HT 4 min each + 1 min rebuttal		
	Trans perineal Vs Trans rectal Prostate Biopsy Where do we stand in 2025?	Dr. Sanjai Addla, Hyderabad	
	Treatment sequencing in Metastatic Castrate Sensitive Prostate Cancer (mCSPC)	Dr. Ravi Mohan, PGI	
	Q and A – 3 minutes		
	<b>Session 3 – Renal cell carcinoma (37 Minutes)</b> Co-ordinator – Dr. Hemnath, Preeti Urology & Kidney Hospital, Hyderabad		Chairpersons – Dr. TA Kishore, Kochi, Dr. Anant Krishnan, Chennai , Dr. Shivalingaiah, M, Bengaluru
	30 year male, Hypertensive, 6 cm upper - mid polar tumor (cT1b) – 10 minutes Debate – NSS Vs Radical Nephrectomy	Dr. Ravichandran/ Dr. Gopichand	
	Techniques of Open Partial Nephrectomy	Dr. R Jeyaraman, Chennai	
	Present role of cytoreductive nephrectomy	Dr. Tarun Dilip Javali, Bengaluru	
	Game changing 3 papers in RCC over last 3 years	Dr. Ashwin Giridhar, Hyderabad	
	Case Based discussion on RCC	<b>Moderator:</b> Dr. Rakesh Sharma, Hyderabad	<b>Panelists –</b> Dr. Rajesh Kumar Reddy Adapala, Dr. YM Prashanth, Dr.Gowtham Krishna, Dr. Ravi Taori, Dr. Priatham, Vijayawada
	Q and A		
	Concluding remarks	Dr. Rakesh Sharma, Hyderabad	

# Scientific Programme

## Day 2 - 12<sup>th</sup> July Hall B

TIME	TOPIC	SPEAKER	CHAIRPERSON
08:00 AM – 9:35 AM	<b>Session 1 -RECONSTRUCTIVE UROLOGY MASTER CLASS</b> <b>Theme:</b> Reconstructive Urology Techniques Simplified <b>Convener &amp; Introduction by:</b> Dr. Arabind Panda, Hyderabad <b>Moderators &amp; Expert Comments:</b> Dr. KSN Chary, Guntur, Dr. Ganesh Gopalakrishnan, Coimbatore, Dr. Arabind Panda, Hyderabad		
	<b>Session 1: Upper Tract Reconstruction</b>		
	Minimally Invasive Ileal Ureter – Step by Step	Dr. Hemnath UA, Hyderabad	
	Alternatives to the Ileal Ureter	Dr. Bhavtej, Hyderabad	
	Discussion		
	<b>Session 2: Lower Tract Reconstruction</b>		
	The neobladder after radical cystectomy – tips and tricks		
	a. Preparing the urethral sphincter and anastomosis	Dr. Ragavan N, Chennai	
	b. Making the Neobladder	Dr. P. Ginil Kumar, Kochi	
	Optimizing anastomotic urethroplasty in posterior urethral distraction defect and posterior urethral strictures	Dr. Ganesh Gopalakrishnan, Coimbatore	
	Discussion		
	Intestinal segment for reconstruction of urethra	Dr. Rajesh Rajendran, Trichy	
	Discussion		
	<b>Session 3: Penile Reconstruction</b>		
	Mid-penile and distal hypospadias – maximizing successful repair	Dr. Ashwin Shekar, Hyderabad	
	Gender change surgery – technical challenges		
	a. Male to Female	Dr. Arjun Nagaraj, Bengaluru	
	b. Female to Male	Dr. Arjun Nagaraj, Bengaluru	
	Discussion		
	<b>Session 4: VVF Repair</b>		
	The trigonal and sub-trigonal vesicovaginal fistula – reducing failure	Dr. Partho Mukherjee, Vellore	
	Expert Comment		
	Discussion		
12.55PM – 01.35PM	<b>Session 2 -INVITED STATE PAPERS</b> <b>Chairperson:</b> Dr TV Narayana Rao, Rajahmundry, Dr B Sivarama Krishna, Bengaluru, Dr R Jeyaraman, Chennai		
	A Prospective randomized controlled trail on comparison of 5 Fr and 6 Fr ureteral stones on stent-related symptoms following ureterorenoscopy	Dr. Goutham Vinod PC, Govt. Medical College, Kozhikode	
	Arguing the toss: Can we cherry pick a laparoscopic pectopexy? Laparoscopic sacrocolpopexy vs laparoscopic pectopexy: a retrospective analysis in our center	Dr. Dron Sharma, Ramaiah Medical College, Bengaluru	
	Transitioning from open to robot assisted kidney transplant- our experience with first 15 cases	Dr. Anu Ramesh, Kauvery Hospital, Chennai	
	Efficacy of triple tracer technique (Tc 99 Radiocolloid, Indocyanine green, and Blue Dye) versus dual dye technique (Indocyanine green, Methylene Blue) for sentinel node biopsy in clinically node-negative penile cancer: a prospective randomized study	Dr. Amaresh Mohan, Basavatarakam Indo-American Cancer Hospital and Research Institute, Hyderabad	
01:35PM - 02:20PM	<b>Lunch</b>		

## Scientific Programme

TIME	TOPIC	SPEAKER	CHAIRPERSON
02.20PM – 03.30PM	<b>Session 3 - RENAL TRANSPLANT MASTERCLASS</b> <b>Convener:</b> Dr TA Kishore, Kochi <b>Moderators:</b> Dr. PVLN Murthy, Hyderabad; Dr. Sanjeevan KM, Kochi; Dr. Deepak Dubey, Bengaluru; Dr. Prakash JVS, Chennai		
	Minimally invasive approach for right sided donor	Dr. Manikandan, Chennai	
	Retroperitoneal donor nephrectomy	Dr. Bipin Chandra Pal, Hyderabad	
	Reconstruction of donor kidney with multiple vessels	Dr. Sachin Joseph, Kochi	
	Management of vascular complications in transplantation	Dr. Deepak Ragavan, Chennai	
	Robotic kidney transplant in complex scenarios	Dr. Deepak Kaddu, Bengaluru	
	Expanding the Donor Pool: Use of Marginal and Extended Criteria Donors in Cadaveric Kidney Transplantation	Dr. Dheeraj SSS, Hyderabad	
	Machine perfusion: a game changer for marginal kidneys	Dr. Anu Ramesh, Chennai	
	Surgical aspects of xenotransplantation: preparing for the future	Dr. Vijay Radhakrishnan, Kottayam	
03.40PM – 05.10PM	<b>Session 4 - WoU ASU Session</b> <b>Convener:</b> Dr. N Rajamaheswari, Chennai <b>Chairperson :</b> Dr Rajeev TP, President, USI, Guwahati, Dr. N Rajamaheswari, Chennai, Dr Srikala Prasad T, Chennai		
	Robot assisted complex upper ureteric reconstructions	Dr. Soundarya G, Preeti Urology & Kidney Hospital, Hyderabad	
	Robot assisted Sacrocolpopexy	Lalitha's Urogynecology Centre, Hyderabad	
	<b>Session 4.1 -Precision and Perils</b>		Chairperson:
	Navigating Laparoscopic Adrenalectomy	Dr. Manasa T, Ramaiah Medical College, Bengaluru	Dr. Keshavamurthy R, Bengaluru
	SUI: Revisions and re-operations in its management	Dr. Srikala Prasad T , Kilpauk Medical College, Chennai	Dr. Lalitha K, Hyderabad
	Renal Transplant: Charms and Challenges in India	Dr Anu Ramesh, Kauvery Hospital, Chennai	Dr. Arun Kumar Paranjothi, Chennai
	<b>Session 4.2 -To Lead, To Learn, To Laugh</b>		Chairperson:
	From Resident to President (WoU), journey along the uncharted path	Dr. N Rajamaheswari, CURI Hospital, Chennai	Dr. Rajeev TP, USI President, Guwahati
	<b>Session 4.3 -Scenarios in Surgery</b>		Chairperson:
	Scalpel and society: Navigating blessings and battles as a young woman in Urology	Dr. Bhavana Chowdary Madineni, Final Year Resident, Sapthagiri Medical College, Bengaluru	Dr. Shyamala Gopi, Chennai
	Renal Trauma: the dos, don'ts and updates	Dr. Humera Fatima Final Year Resident, Kamineni Academy of Medical Sciences, Hyderabad	Dr. Karunamoorthy, Chennai
	Recurrent Epididymo-orchitis: an unusual suspect	Dr. Arasi, Kilpauk Medical College, Chennai	Dr. Arjun Nagaraj, Bengaluru
	A Life beyond Urology (5 Minutes)		Dr. Sheetal Mistry, Mumbai
	How I unwind in this long, winding journey - Open Discussion		
	Conclusion		
05.30PM	<b>Annual General Body Meeting</b>		

# Scientific Programme

## Day 2 - 12<sup>th</sup> July Hall C

TIME	TOPIC	SPEAKER	CHAIRPERSON
08:00AM - 09:00AM	<b>Session 1 -MODERATED POSTER SESSION- 4</b> <b>Chairperson:</b> Dr Purna Chandra Reddy, Hyderabad, Dr KV Bhargava Reddy, Vijayawada, Dr Mohsin Quadri, Guntur		
	Renal trauma in hydronephrotic kidney, a clinical challenge – a case report	Dr. Abhinandan Milind Kadiyal, K.S Hegde Medical Academy, Mangaluru	
	Rare cause of antenal hydroureteronephrosis - prostatic utricle unrecognised condition	Dr. Murali Krishna Velagapudi, Sapthagiri Institute of Medical Sciences, Bengaluru	
	Renal duplex system with H-shaped complete ureteric duplication	Dr. Vignesh N.C, Sri Venkateswara Institute of Medical Sciences, Tirupati	
	Cryptorchidism associated with epididymal duplication in a Noonan syndrome child	Dr. Manne Nishant, Katuri Medical College & Hospital, Guntur	
	A nightmare following renal transplant	Dr. Irappa Mahadev Kotagi, Shri B M Patil Medical College Hospital and Research Centre, Vijayapura	
	A tale of two stones: what they unearthed	Dr. Vishnu Prakash R, Govt Medical College Calicut, Kozhikode	
	"Sickle cells, Silent Stricture": an atypical ureteral obstruction	Dr. Devi Harsha Vanga, NRI Medical College Chinakani, Guntur	
	Signet-ring cell adenocarcinoma in an adult with untreated bladder exstrophy: a rare case study	Dr. Sarbjit Mohapatra, Karnataka Medical College and Research Institute, Hubli	
	Emphysematous epididymo-orchitis: A ticking time bomb in the scrotum	Dr. Abheesh Varma Hegde, Father Muller Medical College, Mangaluru	
	Laparoscopic pyeloplasty in a case of left ectopic pelvic kidney with PUJO and gross HUN	Dr. Humera Fatima, Kamineni Academy of Medical Sciences, Hyderabad	
12.55PM - 01.35PM	<b>Session 2 -FREE PAPER SESSION- 5 (6+2 Minutes)</b> <b>Chairperson:</b> Dr Senthil Kumar T, Chennai,Dr Jada Srikanth, Vizianagaram,Dr Surya Kumari, Guntur,Dr Madhava Rao, Guntur		
	A novel combination therapy for bothersome nocturia in BPH patients- a double blinded randomized controlled trial	Dr. Adapa Sai Siddarth Shankar,Vijayapura.	
	Evaluating patient satisfaction and quality of life after transobturator tape: a 5-year retrospective study	Dr. Sushmitha Kothapalli,Chennai.	
	Journey to excellence: a comparative study from learning to mastery in rarp	Dr. Pranank Kakarla,Bengaluru.	
	Long term renal outcomes after radical cystectomy	Dr. Owais Ahmed Patel,Kochi.	
	Impact of systemic therapy on the surgical and oncological outcomes of renal cell carcinoma with IVC thrombus: a comparison across eras- tyrosine kinase inhibitors to immune check point inhibitors	Dr. Dayasagar Hemanth, Vellore.	
01:35PM - 02:20PM	Lunch		
02.20PM - 03.30PM	<b>Session 3 -FREE VIDEO SESSION- 3 (6+2 Minutes)</b> <b>Chairperson:</b> Dr Hariprasad D, Srikakulam,Dr Kuppurajan Narayanswamy, Coimbatore,Dr Venkatesh GK, Bengaluru,Dr Y Rama Sanjai, Hyderabad		
	Bilateral robot-assisted laparoscopic detrusorrraphy for a 3-year-old child with high-grade reflux using Versius robot	Dr. Humera Fatima, Kamineni Academy of Medical Sciences, Hyderabad	
	Robot-assisted uretero-calycostomy in a case of failed open pyeloplasty using Versius robot	Dr. Humera Fatima, Kamineni Academy of Medical Sciences, Hyderabad	
	Laparoscopic right upper moiety nephroureterectomy in a 21-year-old female with urinary incontinence due to right duplex kidney and ectopic ureter draining into the vagina	Dr. Kiran R, Chaitanya Hospital, Kannur	
	Laparoscopic heminephrectomy in anomalous kidneys – small case series	Dr. Manoj Kumar Y, KIMS Hospitals, Kurnool	

## Scientific Programme

TIME	TOPIC	SPEAKER	CHAIRPERSON
	Seeing the unseen: 3D preoperative planning with BioCLiq improves outcomes in complex renal surgery	Dr. Amaresh Mohan, Basavatarakam Indo-American Cancer Hospital, Hyderabad	
	Genital reconstruction in disorders of sex development: surgical techniques in vaginoplasty and clitoroplasty – experience with 2 cases	Dr. Muhammed Huzaifa, All India Institute of Medical Sciences, Bhubaneswar	
	Enhancing outcomes in testicular cancer: a video demonstration of robot-assisted nerve-sparing RPLND	Dr. Vivek Meyyappan, Basavatarakam Indo-American Cancer Hospital, Hyderabad	
	Management of bladder malakoplakia with laparoscopic partial cystectomy	Dr. Vishnu Prakash R, Govt Medical College Calicut, Kozhikode	
03.40PM –04.40PM	<b>Session 4 -MODERATED POSTER - 5</b> <b>Chairperson:</b> Dr Narendra JB, Mysuru, Dr Senthil D, Chennai, Dr Noel John, Ongole, Dr Ilangovan, Chennai		
	An unusual and missed intraperitoneal bladder injury following road traffic	Dr. Gunjot Singh Ghai, JSS Academy of Higher Education And Research, Mysuru	
	Adult posterior urethral valve: a diagnostic challenge	Dr. Saravanan Arumugam, Chettinad Hospital and Research Institute, Chennai	
	Pyonephrosis in a duplex kidney: an unusual clinical entity	Dr. Saravanan Arumugam, Chettinad Hospital and Research Institute, Chennai	
	Kidney under siege: surgical outcomes in renal hydatid disease	Dr. Siraj Chodiseti, M S Ramaiah Medical College, Bengaluru	
	Late presentation of index patient with MEN IIA syndrome treated with bilateral adrenalectomy for bilateral pheochromocytoma	Dr. Anusruthi Gopi, Government Medical College, Kozhikode	
	A case of rare primary leiomyosarcoma of ureter	Dr. Vishnu Prakash R, Govt Medical College Calicut, Kozhikode	
	Ureteric rupture resulting in psoas abscess formation and stone migration into abscess cavity – A case report	Dr. Shravan Kumar Nagamalla, K S HEGDE MEDICAL COLLEGE, MANGALURU	
	Tracking down a block in a lost path – Impacted ureteric calculus in pan urethral stricture	Dr. Sathya Narayanan Kannan, Government Mohan Kumaramangalam Medical College and Hospital, Salem	
	The pelvic puzzle – A rare case of huge abdominopelvic mass with a suspicious origin	Dr. Sharon Aseem, TDMC Govt Medical College, Alappuzha	
	A Rare Blast from the Embryonic Past: Adult Wilms Tumor	Dr. Mathi Sri Akshay, Government Mohan Kumaramangalam Medical College Hospital, Salem	

# Scientific Programme

## Day 2 - 12<sup>th</sup> July Hall D

TIME	TOPIC		SPEAKER	CHAIRPERSON
<b>08.00AM -09.20AM</b>	<b>Session 1 - FREE PAPER SESSION -4</b> <b>Chairperson:</b> Dr Ravichandran K, Bengaluru, Dr Srikala Prasad T, Chennai, Dr Chandra Mohan Godala, Anantapur, Dr Sreerag K S, Pondicherry			
<b>08.00AM -09.20AM</b>	Antegrade approach and stenting – a saviour in our difficult times		Dr. Subramanian E, Institute of Urology, Madras Medical College, Chennai	
	Prognostic accuracy of SIRS vs qSOFA in predicting morbidity in acute emphysematous pyelonephritis		Dr. J Geolin Mithun, Madurai Medical College, Madurai	
	Role of virtual reality imaging in predicting feasibility of partial nephrectomy in solid renal masses		Dr. Thalapathi Raja, SRIHER, Chennai	
	Outcomes of radical cystectomy in septuagenarians – Is it really that bad?		Dr. Nikhil Vasan Arulmany, Amrita Institute of Medical Sciences, Ernakulam	
	Visual versus traditional: a new perspective on prostate symptom scoring		Dr. Siraj Chodiseti, M S Ramaiah Medical College, Bengaluru	
	Robotic left transmesocolic pyeloplasty in pediatric PUJO: Comparing efficacy and outcomes		Dr. Nikhil Raj V, Ramaiah Medical College, Bengaluru	
	Percutaneous foam sclerotherapy for simple renal cysts: Prospective single centre experience		Dr. Venkata Krishna Reddy Pendyala, Ramaiah Medical College, Bengaluru	
	Squamous cell carcinoma of the kidney: A rare neoplasm case series		Dr. Shravan Kumar Nagamalla, K S HEGDE MEDICAL COLLEGE, MANGALURU	
	Early Predictive Markers of Semen Quality Improvement following Microscopic Varicocelectomy		Dr. Venkata Mahesh Chalumuru, Ramaiah Medical College, Bengaluru	
	Our initial experience with biofeedback therapy		Dr. Suhas D S, NU Hospitals, Bengaluru	
<b>01.35PM – 02.20PM</b>	<b>Lunch</b>			
<b>02.20PM -03.30PM</b>	<b>Session 2 -FREE PAPER SESSION – 6</b> <b>Chairperson:</b> Dr Nagasubramanayam S, Bengaluru, Dr Shiva Kumar V, Mysuru, Dr SVS Rao, Kakinada, Dr C S Ratkal, Bengaluru			
<b>02.20PM -03.30PM</b>	Long-term outcomes of surgical management of primary bladder neck obstruction in females: clinical insights into bladder neck resection techniques – a single-centre experience		Dr. Siddhant Loknath Bolar, JIPMER, Pondicherry	
	Extracorporeal shockwave lithotripsy with Dornier Delta III for upper ureteric stones: A retrospective evaluation of clinical outcome		Dr. Siddhant Loknath Bolar, JIPMER, Pondicherry	
	Rising above LUTS: A Single center's journey with prostatic urethral lift		Dr. Kodali Adishesu, Ramaiah Medical College, Bengaluru	

## Scientific Programme

TIME	TOPIC	SPEAKER	CHAIRPERSON
	Deceased donor renal transplantation: a single center experience	Dr. Venkatesh Palanisamy, Sri Ramachandra Medical College, Chennai	
	Comparison of perioperative outcomes in robotic vs. Open IVC Thrombectomy in locally advanced renal cell carcinoma: A single-center experience	Dr. Chethanv V N, Aster Medcity, Cochin	
	Prognostic factors for metastatic renal cell carcinoma in the era of immune checkpoint inhibitors: a contemporary analysis	Dr. Aneesh Muralidharan, CMC, Vellore	
	Urolithiasis risk: Insights from a 24-h urinary metabolic evaluation	Dr. Murali Krishna Velagapudi, Sapthagiri Institute of Medical Sciences, Bengaluru	
	Functional and oncological outcomes of partial nephrectomy in solitary kidneys – A Single centre study	Dr. Naveen Kumar C, CMC Vellore, Vellore	
	Deceased donor renal transplantation: a single center experience	Dr. Venkatesh Palanisamy, Sri Ramachandra Medical College, Chennai	
<b>03.40PM – 05.10PM</b>	<b>Session 3 -FREE PAPER SESSION – 11(6+2 Minutes)</b> <b>Chairperson:</b> Dr Pitchai Balashanmugam K, Madurai, Dr Gauthaman Chandrakasan, Nagercoil, Dr Vasudevan T, Pondicherry, Dr A R Balaji, Chennai		
<b>03.40PM – 05.10PM</b>	Role of low intensity shock wave therapy (LI-ESWT) in intractable vasculogenic ED – Growing Evidence	Dr. Sreedhar Kammela, Dr. Kammela Sreedhar's Kidney & IVF Centre, Hyderabad	
	Culture positivity of preoperative urine, renal pelvic urine and renal calculus among patients undergoing percutaneous nephrolithotomy in a tertiary care centre	Dr. Devika Venu, Govt Medical College, Thiruvananthapuram	
	Nephron-sparing approach: early CT-guided drainage in the management of emphysematous pyelonephritis	Dr. Ashutosh Laxmanrao Kankal, Mahatma Gandhi Medical College and Research Institute, Puducherry	
	Prognostic Utility of Modified SMART Scoring in Urolithiasis: Evaluating Associations of Endoscopic Findings with Disease Severity and Stone Clearance During Ureteroscopic Lithotripsy (URSL)	Dr. Pavala Kannan V, Madurai Medical College, Madurai	
	Prospective observational study on intolerant symptoms associated with Double-J ureteral stenting	Dr. Jacob Thomas Paranilam, Ballari Medical College and Research Centre, Ballari	
	Clinical and imaging predictors of surgical intervention in prostatic abscess: A correlational study	Dr. Sivasankaran B, Madras Medical College, Chennai	
	Comparative evaluation of surgical outcomes and semen quality following laparoscopic versus subinguinal varicocelectomy	Dr. Venkata Ramana K, Sri Ramachandra Hospital, Chennai	
	A prospective study on the causative factors for elevated serum creatinine in patients with unilateral ureteric calculus obstruction	Dr. Lakshmi Kandhan, Sri Ramachandra Institute of Higher Education and Research, Chennai	

# Scientific Programme

## Day 3 - 13<sup>th</sup> July Hall A

TIME	TOPIC	SPEAKER	MODERATOR/P ANELIST
08.00AM-09.00 AM	<b>Session 1 - Free Paper session - 7</b> <b>Chairpersons:</b> Dr P. Srimannarayana, Vijayawada, Dr Navuluru Upendra Kumar, Hyderabad, Dr C Ilamparuthi, Chennai		
08.00AM-09.00 AM	Management of 1-2 cm lower calyx calculus: PCNL vs Mini PCNL	Dr. Anurag Reddy Sankepally, Yenepoya Medical College and Hospital, Mangaluru	
	Adrenalectomies for various adrenal tumours: a case series	Dr. Abhinandan Milind Kadiyal, K S Hegde Medical Academy, Mangaluru	
	Erectile function before and after kidney transplantation: a retrospective single-center study of live and deceased donor recipients using IIEF-5 and QSF scales	Dr. Sharath B G, Institute of Nephro Urology, Bengaluru	
	To identify factors predicting success of ureteric access sheath placement in primary retrograde intrarenal surgery - a prospective observational study	Dr. Anuj Yadav, Sri Sathya Sai Institute of Higher Medical Sciences, Puttaparthi	
	Tiny device, big relief: India's first look at iTIND for BPH	Dr. Yasaswini Nandamuri, Ramaiah Medical College, Bengaluru	
	Evaluation of bothersome LUTS following TURP - review of literature and treatment policy	Dr. Irappa Mahadev Kotagi, Shri B M Patil Medical College Hospital & Research Centre, Vijayapura	
	Precision and progress: mini Doppler ultrasound in subinguinal micro varicocelectomy	Dr. Partha Sri Mallipeddi, Medicovert Hospital, Hyderabad	
09:00 AM - 10:00 AM	<b>Session 1 - ASU BEST POSTER SESSION</b> <b>Chairpersons:</b> Dr Ottra Ramesh, Tirupati, Dr Kammela Sridhar, Hyderabad, Dr L Narayanan Dorairajan, Puducherry		
09:00 AM - 10:00 AM	Outcomes of robotic sacro colpopexy using polypropylene Y-mesh: A single centre experience	Dr. Rajat Agarwal, M S Ramaiah Medical College, Bengaluru	
	Minimally invasive approach to obstetric fistulas: our centre experience	Dr. Anusruithi Gopi, Government Medical College, Kozhikode	
	Virtual reality-guided puncture planning for PCNL in a malrotated kidney with pelvic calculus: a case report	Dr. Sushmitha Kothapalli, Sri Ramachandra Institute of Medical Sciences, Chennai	
	Bladder-preserving partial anterior pelvic exenteration for multifocal urethral melanoma: a case report	Dr. Goutham Vinod PC, Government Medical College, Kozhikode	
	Beyond the urologist: the psychiatric and somatic landscape of functional urological disorders	Dr. Madhuri Evangeline Sadanala, Christian Medical College, Vellore	
	Is sequential multi-organ donation safe?	Dr. Biswajit Deka, AIG Hospitals, Gachibowli, Hyderabad	
	Extra scrotal spermatocele masquerading as mesenteric cyst: the first one encounter	Dr. Dinesh Kumar Anne, Sapthagiri Institute of Medical Sciences and Research, Bengaluru	
	Not just tuberculosis: atypical mycobacteria and the challenge of instrument sterilization	Dr. Ashirwad Avinash Sankhe, Saveetha Medical College and Hospital, Chennai	
	Transurethral laser en bloc enucleation of urethral leiomyoma near the bladder neck: a rare case report	Dr. Priyatham Kasaraneni, Prashanth Hospital, Vijayawada	
	CAUTI - comprehensive analysis of risk factors, microbial dynamics and antimicrobial challenges	Dr. Shashank K A, Karnataka Medical College and Research Institute, Hubballi	
10:10 AM - 10:50 AM	<b>Session 2 - PROF PB SIVARAMAN ENDOWMENT GUEST LECTURE</b> <b>ChairPerson :</b> Dr Rajendra B Nerli, Elect President, ASU, Belagavi, Dr Chandra Mohan Vaddi, Honorary Secretary, ASU, Hyderabad		
	Striving for Excellence	Dr. Arup Kumar Mandal, Rishikesh	

## Scientific Programme

TIME	TOPIC	SPEAKER	MODERATOR/PANELIST
10:55 AM – 12:00 PM	<b>Session 3 - Dr N D JEYASEKHARAN AWARD FOR IDEAS AND INNOVATIONS</b> <b>ChairPersons :</b> Dr Devaprasath Jeyasekharan, Nagercoil, Dr SR Kannan, Nagercoil, Dr M.G. Rajamanickam, Chennai		
10:55 AM – 12:00 PM	Bucks fascia preserving circumcision (BBC Technique)	Dr. Manne Nishant, Katuri Medical College & Hospital, Guntur	
	Innovative use of surgical castration specimen for resident skill enhancement	Dr. Bobby Viswaroop S, Vedanayagam Hospital and PG Institute, Coimbatore	
	"Urocareerz" – an innovative new tool for young urologists	Dr. Abheesh Varma Hegde, Father Muller Medical College, Mangaluru	
	Mucosa sphincter interface sparing technique during THUFLEP	Dr. Pruthvi Raj Kalal, Prashanth Hospital, Vijayawada	
	Feasibility of an 18 gauge intravenous cannula in paediatric PCNL punctures: a pilot study	Dr. Nitin Kumar K, Sapthagiri Institute of Medical Sciences, Bengaluru	
	Optimizing fragment size in PCNL: a novel technique to aid retrieval and prevent migration for novice endourologists	Dr. Aswath Venkataramana VH, Institute of Nephrourology, Bengaluru	
	Endoflex virtual simulator for flexible ureterorenoscopy: A low-cost portable simulator	Dr. Zeeshan Hameed BM, KMC Hospital, Mangaluru	
	Venacontiam-brachial arteriovenous fistula – an innovative lifesaving procedure in selected ESRD patients	Dr. Pradeepa M G, NU Hospital, Shivamogga	
	A simple technique to prevent stone fragment migration in over-dilated tracts during PCNL	Dr. Venkata Krishnan S, Apollo Hospitals, Chennai	
12:00 PM – 01:00 PM	<b>Session 4 -YOUTH UROLOGY SESSION</b>		
12:00 PM – 01:00 PM	<b>SESSION - I : What next after residency? Career options for Young Urologists</b>		Chairperson :
	Experience from a Medical College	Dr Mohsin Quadri, Guntur	Dr. Zeeshan Hameed BM, Mangaluru,
	Experience from a Corporate Set Up, post fellowship	Dr. Preetham Dev, Bengaluru	Dr. Suyog Shetty, Mangaluru,
	Experience as a freelancer	Dr. Annappa Kamath, Kasargod	Dr. Vinod Kumar P, Bengaluru
	Panel Discussion	Moderator: Dr Abheesh Varma Hegde, Mangaluru	Panelist :
			Dr. Zeeshan Hameed BM,
			Dr. Suyog Shetty,
			Dr. P Vinod Kumar,
			Dr. Mohsin, Dr. Preetham Dev,
			Dr. Annappa Kamath
	<b>Session II - Talks</b>		Chairpersons :
	RIRS step by step	Dr. J Arjun Prakash, Guntur	Dr. Abhishek Singh,Nadiad,
	Recent trends in intra vesical chemotherapy	Dr. Midhun P Gopalakrishnan, Thrissur	Dr. Sandeep Bafna, Chennai ,
	TFL Enucleation	Dr. Rakesh Panda, Hyderabad	Dr. Sepuri Bala Ravi Teja, Kurnool ,
	Ergonomics in Laparoscopic surgery	Dr. Gopal Tak, Hyderabad	Dr. Prasanna Ram, Chennai
	Monoplanar PCNL punctures technique	Dr. Abheesh Varma Hegde, Mangaluru	
	Work Life Balance	Dr. Prashant Adiga, Mangaluru	
	Concluding remarks		
01:00 PM 02:00 PM	<b>VALEDICTORY</b>		
02:00 PM On wards	<b>LUNCH</b>		

## Scientific Programme

### Day 3 - 13<sup>th</sup> July Hall B

TIME	TOPIC	SPEAKER	MODERATOR/PANELIST
08:00 AM – 09:00 AM	<b>Session 1 - Free Video session – 4</b> <b>Chairpersons</b> - Dr. Sathyanarayana Balaganur, Anantapur, Dr. Manoj Kumar, Kurnool, Dr. Muthulatha, Chennai, Dr. T Rajaraman, Chennai		
08:00 AM – 09:00 AM	THULEP for 130cc prostate including median lobe: step-by-step two-lobe technique	Dr. Neelanolla Bhasker Reddy, Care Hospital Banjara Hills, Hyderabad	
	Robotic-assisted partial nephrectomy for hilar renal tumours: a video series of two complex cases	Dr. Praveen Balagangatharan, Basavatarakam Indo American Cancer Hospital, Hyderabad	
	Robotic assisted radical nephrectomy with inferior vena cava thrombectomy	Dr. Pruthvi Raj Kalal, Prashanth Hospital, Vijayawada	
	Robotic mitrofanoff procedure with autologous pubovaginal sling for neurogenic incontinence	Dr. Rajat Ramesh Mudhol, Jawaharlal Institute of Postgraduate Medical Education and Research, Pondicherry	
	Flexible ureteral access sheath with suction in retrograde intrarenal surgery – are there ideal indications?	Dr. Rakesh Panda, Preeti Urology and Kidney Hospital, Hyderabad	
	Retro-aortic renal vein in complex robotic uro-oncologic surgeries: implications for IVC Thrombectomy and RPLND	Dr. Rakesh Manilal Sharma, Basavatarakam Indo-American Cancer Hospital, Hyderabad	
	Video presentation on ROBOT assisted right retroperitoneoscopic partial nephrectomy	Dr. Yanaki Narendra, AIG Hospitals Gachibowli, Hyderabad	
09:30 AM – 10:30 AM	<b>Session 2- Stone Breakers learn from Legends</b> <b>Chairpersons</b> - Dr. Krishna Kishore, Vijayawada, Dr. Prashanth Marla, Mangaluru, Dr. R. Keshavamurthy, Bengaluru, Dr. Vinod K. V., Trivandrum, Dr. C. S. Ratkal, Bengaluru		
09:30 AM – 10:30 AM	RIRS – Latest advances	Dr. Kandarp Parikh, Ahmedabad	
	Miniperc in complex renal stones	Dr. Sanjay Khadgi, Kathmandu	
	PCNL in staghorn, how to plan?	Dr. S. K. Pal, New Delhi	
	Miniperc with laser. Which laser best?	Dr. Rajesh Kukreja, Indore	
02:00 PM Onwards	LUNCH		

# Scientific Programme

## Day 3 - 13<sup>th</sup> July Hall C

TIME	TOPIC	SPEAKER	MODERATOR/PANELIST
08:00 AM – 09:00 AM	<b>Session 1 - Free Video session – 5</b> <b>Chairpersons -</b> Dr. J Arjun Prakash, Guntur, Dr. Jagadeeshwar T, Hyderabad, Dr. Pavan Sai Pothula, Vijayawada, Dr. Narendra JB, Mysore		
08:00 AM – 09:00 AM	Laparoscopic management of bladder and ureteral injury during vaginal hysterectomy	Dr. S Shubhneet Singh Dua, Kamineni Institute of Medical Sciences, Narketpally	
	Endo urethroplasty – A novel technique in the management of urethral stricture disease	Dr. Sanjay Natarajan N, Narayana Medical College, Nellore	
	Tips for excision of bladder endometriosis near ureteric orifice	Dr. Sivasankaran N, Gem Hospital, Coimbatore	
	Laparoscopic donor nephrectomy in ectopic kidney	Dr. Sivasankaran N, Hindustan Hospitals, Coimbatore	
	Robotic-assisted laparoscopic reconstruction of iatrogenic bilateral upper ureteric stricture	Dr. Soundarya G, Preeti Urology and Kidney Hospital, Hyderabad	
	Robotic excision of 4 complex retro-peritoneal and pelvic masses – successful result	Dr. Sreedhar Kammela, Dr. Kammela Sreedhar's Kidney & IVF Centres, Hyderabad	
	Minimally invasive nipple valve Boari flap reconstruction – A novel non-refluxing anastomotic technique	Dr. Vivek Tarigopula, Asian Institute of Nephrology and Urology, Hyderabad	
12:00 PM – 01:00 PM	<b>Session 2 - Free Video session – 9</b> <b>Chairpersons -</b> Dr. Manoj, Vijayawada, Dr. K Subith Kumar, Guntur, Dr. Gurunadha Rao Kolluri, Khammam		
12:00 PM – 01:00 PM	Revisiting erectile dysfunction workup: Can avanafil be a step before the needle?	Dr. Sano Maleth Zachariah, Sri Narayani Hospital & Research Centre, Vellore	
	DVIU vs. non-transecting urethroplasty in short bulbar strictures: 1-year patient-reported outcomes	Dr. Aishwarya Avinash Tinaikar, Kasturba Medical College, Manipal	
	How is life after penile implant surgery? - Quality of life and outcomes after penile prosthesis surgery	Dr. Rajkumar K, Christian Medical College, Vellore	
	Impact of capsular breach on recurrence rates after laparoscopic partial nephrectomy: A retrospective analysis	Dr. Vivek Vasant Rathod, AIIMS BBSR, Bhubaneswar	
	Treatment response and disease progression in Indian metastatic hormone sensitive prostate cancer patients: How do we compare with the West?	Dr. Muhammed Huzaifa, All India Institute of Medical Sciences, Bhubaneswar	
	Artificial sperm – how far are we?	Dr. Sreedhar Kammela, Dr. Kammela Sreedhar's Kidney & IVF Centres, Hyderabad	
	Shock-wave lithotripsy for stones of high attenuation co-efficient: A feasible & viable alternative	Dr. Abhishek Pasam, Sapthagiri Institute of Medical Sciences, Bengaluru	
02:00 PM Onwards	<b>LUNCH</b>		

# Scientific Programme

## Day 3 - 13<sup>th</sup> July Hall D

TIME	TOPIC	SPEAKER	MODERATOR/PANELIST
08:00 AM – 09:00 AM	<b>Session 1 - Free Paper session – 8</b> <b>Chairpersons - Dr. A Nischal Prasad, Nellore, Dr. Mohsin Quadri, Guntur, Dr. Suresh Kagalkar, Vijayapura</b>		
	Mayo adhesive probability score for predicting post-operative fever and sepsis in patients undergoing retrograde intra-renal surgery	Dr. John Anto Padikala, Institute of Nephro-urology, Bengaluru	
	A prospective study for pre-operative assessment of NLR, PLR and LMR for early prediction of SIRS after PCNL	Dr. Imran Dastageer Desai, Institute of Nephro-urology, Bengaluru	
	Long term outcomes and clinical and treatment determinants in female lower urinary tract dysfunctions: A retrospective and prospective observational study	Dr. Shiva Gour, JIPMER, Puducherry	
	Asymptomatic intrarenal calculi – are they really asymptomatic? A prospective study in a tertiary care centre	Dr. Teja Chandu, Institute of Nephro-urology, Bengaluru	
	Dilemmas in selection of living donor transplant recipients	Dr. Pranank Kakarla, Ramaiah Medical College Hospital, Bengaluru	
	Management of radiation-induced haemorrhagic cystitis in carcinoma cervix patients: Our institutional experience	Dr. Sumegha Malika Somu, Sri Venkateshwara Institute of Medical Sciences, Tirupati	
12:00 PM – 01:00 PM	<b>Session 2 - Free Paper session – 10</b> <b>Chairpersons - Dr. S Mahesh, Bhimavaram, Dr. Krishna Sumanth, Guntur, Dr. Anoop K Sankar, Thrissur</b>		
	Modification of traditional finger-guided prostate biopsy aided by a proctoscope	Dr. Abhishek Pasam, Sapthagiri Institute of Medical Sciences, Bengaluru

- **Tamilnadu Titans** – Rising from the Chola heartland.
- **Karnataka Kings** – From the Western Ghats to winning shots.

#### Highlights of tournament

Live telecast in SZUSICON 2025 APP  
DRS (Decision Review System)  
Final Match will be under Floodlight

**Whether you're playing, cheering, or soaking up the energy—this tournament is your first pitch into SZUSICON 2025.**

To participate or support your team, contact the SZUSICON 2025 Secretariat Office.

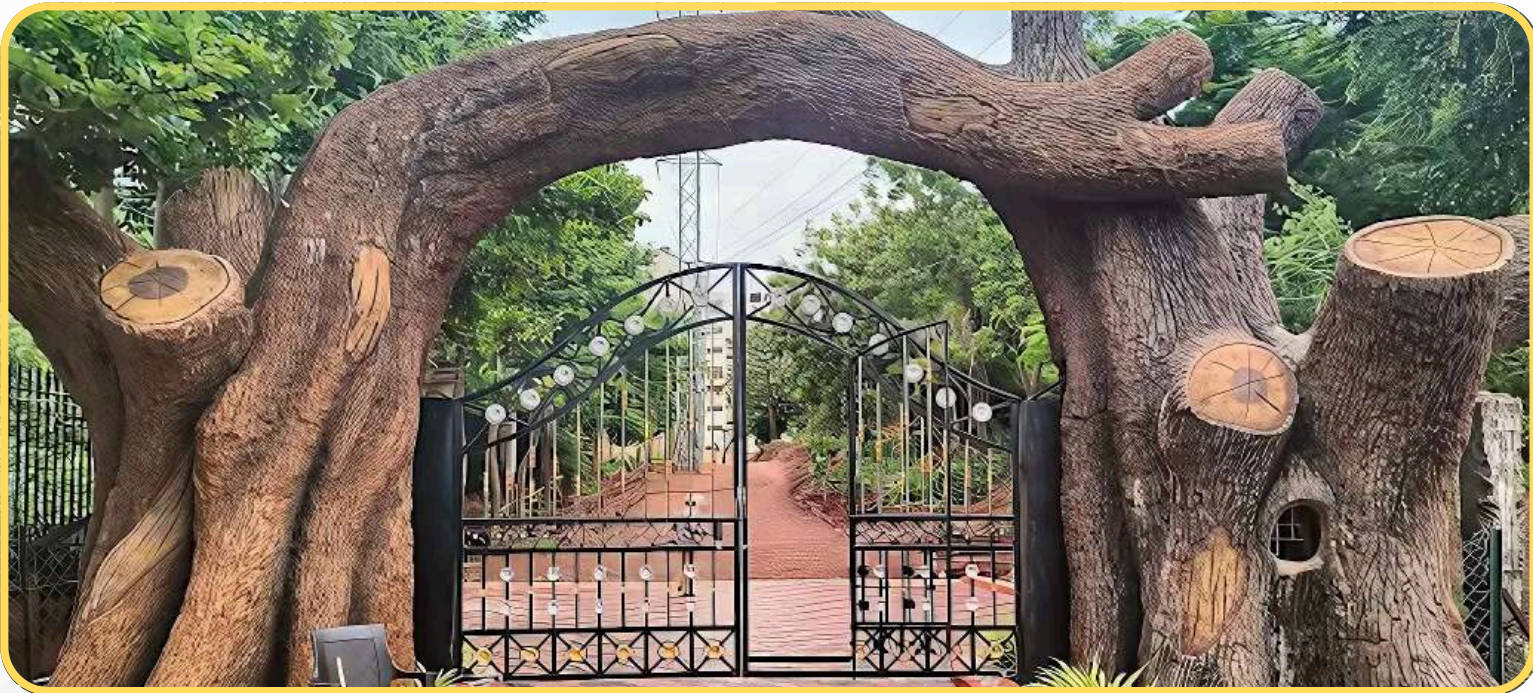

**United through sport. Compete with pride. Kick off SZUSICON with a roar.**

## Pre-Conference Activity

### Eco Park Trek – Hill Adventure with a View

***Kickstart your day with energy, fresh air, and a scenic climb.***

Located in Mangalagiri, near Vijayawada, Eco Park offers lush trails, panoramic views, and peaceful green surroundings—ideal for a refreshing pre-conference trek.

#### Trek Details

- Date: July 11th, 2025
- Time: 5:30 AM
- Difficulty: Mild to Moderate
- Location: Eco Park, Mangalagiri

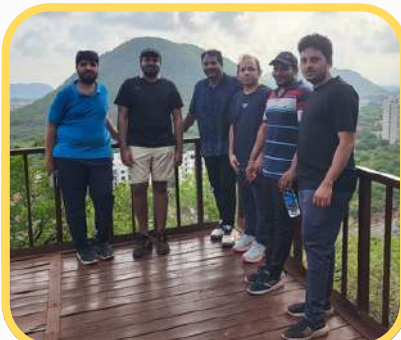

#### Why Join?

- Sunrise views & scenic trails
- Nature therapy before lectures
- Informal networking with fellow delegates

***A perfect way to connect before the conference begins.***

To join, please contact the SZUSICON 2025 Secretariat Office.

**Breathe in the hills. Walk with peers. Begin SZUSICON on a high note.**

# Special Darshan at Sri Kanaka Durga Temple

## Start Your Day with Divine Grace

Perched atop the sacred Indrakeeladri Hill, overlooking the serene Krishna River, Sri Kanaka Durga Temple is one of Andhra Pradesh's most revered spiritual landmarks. Here, the goddess is worshipped in ten divine forms—most notably as Mahishasura Mardini, the vanquisher of evil—symbolizing protection, courage, and grace.

Adjacent to the temple stands the Malleshwara Swamy Temple, dedicated to Lord Shiva, adding to the spiritual richness of this sacred hill. Pilgrims often take a holy dip in the Krishna River before offering prayers, marking a ritual of purification and peace.

We are delighted to offer SZUSICON 2025 delegates an opportunity for a serene early morning special darshan at Sri Kanaka Durga Temple, including:

- **Ashirvachanam** – Divine blessings from the temple priests  
(Subject to feasibility)
- **A sacred Kanduva** – A holy shawl as a token of grace
- **Prasadam** – Offered from the sanctum of the goddess

### Darshan Timings:

- July 11th, 12th & 13th | 5:30 AM – 7:30 AM
- (Approx. duration: 1–2 hours)

### **Reserve Your Spiritual Start**

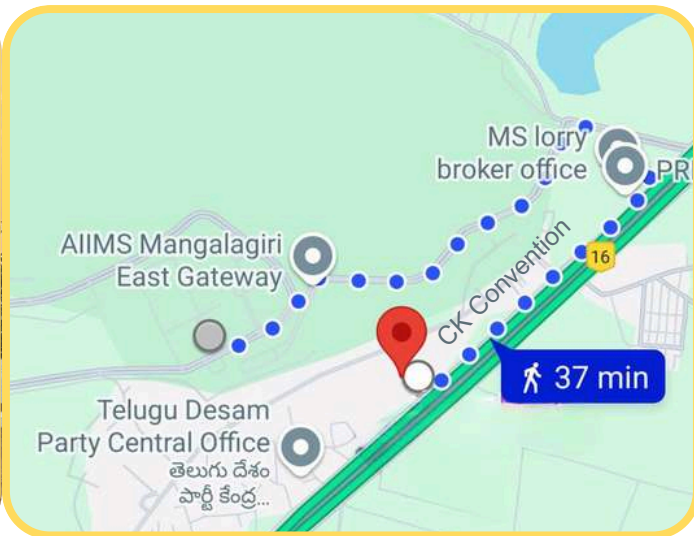

To join this special darshan, please contact the SZUSICON 2025 Secretariat Office to secure your slot and receive further details.

**Kindly wear modest/traditional attire and arrive on time to make the most of this divine experience.**

## Pre-Conference Activity

### Walk for BPH Awareness Step Up for Healthy Prostate

***"Every Step Counts. Every Voice Matters."***

Join the movement for prostate health awareness.

SZUSICON 2025 BPH Awareness Walkathon

Join us for a special BPH Awareness Walkathon to spotlight Benign Prostatic Hyperplasia (BPH)—a condition that affects millions of men worldwide. This initiative at SZUSICON 2025 promotes early detection, healthy living, and the latest advances in prostate care.

This walk is not just about awareness—it's about advocacy, education, and uniting urologists with the public in a shared mission for men's health.

#### Event Details

- Date: 12th July 2025
- Time: 6:30 AM onwards
- Location: AIMS Hospital East Gate, Mangalagiri
- Distance: 2.5 KM
- All participants will receive a special BPH awareness T-shirt.
- Please contact the SZUSICON 2025 Secretariat Office to register and share your T-shirt size.

*One step for each patient. One walk for every future, Join Us & Show Your Support*

Share your experience using **#sz\_usicon2025** Walkathon and help spread the message!

## Local Attractions

### Mangalagiri Handloom Sarees

Experience the timeless grace of Mangalagiri Sarees, known for their fine cotton weave, zari borders, and geometric motifs. Woven in the town of Mangalagiri, these sarees are light, vibrant, and steeped in tradition.

### Kondapalli Toys

Discover the charm of Kondapalli Toys—colorful wooden miniatures hand-carved from Poniki wood. Painted with natural dyes, they depict mythology, village life, and festive folklore—blending art with storytelling.

### Pootharekulu

Taste the melt-in-the-mouth magic of Pootharekulu, Andhra's iconic sweet. Delicate rice starch sheets, filled with ghee and jaggery or sugar, offer crisp texture and rich flavor—straight from Atreyapuram's kitchens.

#### Don't Miss!

- A one-of-a-kind live demonstration of Kondapalli toy-making and Pootharekulu preparation on **Friday | 5:30 PM – 7:30 PM**.
- A vibrant showcase of handlooms, handicrafts, and sweets at cultural stalls open throughout all 3 days of the conference.
- A chance to explore, interact, and take home a piece of Andhra's living tradition.

**Visit the cultural zone to shop, sample, and celebrate.**

**Andhra awaits—one saree, one story, one sweet at a time.**

# Evenings

## at SZUSICON 2025

- Best-Dressed Delegate Contest – Recognition for standout styles
- Dress Code: Formal / Party Wear

- Venue: CK Convention Main Hall
- Dinner: CK Convention Lawn

*"In the rhythm of laughter and lights, we celebrate the art behind the science."*

## About Venue

CK Convention Centre offers everything delegates value—comfortable seating, excellent acoustics, clear visibility, and a professional environment that enhances learning and networking. Its modern layout and advanced AV setup ensure a smooth and engaging conference experience for every attendee.

The venue is easily accessible from all major hotels in Vijayawada, ensuring convenience throughout SZUSICON 2025.

## Venue Layout

## About Vijayawada

Vijayawada, often referred to as the "Business Capital of Andhra Pradesh," is a vibrant city located on the banks of the Krishna River. Known for its rich cultural heritage, historical significance, and economic vitality, Vijayawada is a key commercial hub in southern India.

The city is home to iconic landmarks like the Kanaka Durga Temple, Prakasam Barrage, and Undavalli Caves. With excellent connectivity, educational institutions, and a growing infrastructure, Vijayawada stands as a dynamic blend of tradition and modernity.

# Explore Vijayawada

## Welcome to Vijayawada!

As you attend SZUSICON 2025, immerse yourself in the vibrant culture, rich history, and scenic beauty of Vijayawada. From ancient temples to serene parks, the city offers a diverse array of attractions to enrich your conference experience.

An iconic bridge spanning the Krishna River, Prakasam Barrage is a marvel of engineering and a symbol of Vijayawada's heritage. By day, it facilitates irrigation and transportation; by night, it transforms into a luminous spectacle, making it perfect for evening strolls and photography. Notably, in 2023, it was recognized as a World Heritage Irrigation Structure by the International Commission on Irrigation and Drainage (ICID), highlighting its historical significance and contribution to irrigation in the region.

**PRAKASAM BARRAGE**

**PANAKALA LAKSHMI NARASIMHA  
TEMPLE, MANGALAGIRI**

Situated atop the auspicious hill of Mangalagiri, this ancient Vaishnavite temple is one of the eight sacred Mahakshetras of Lord Vishnu in India. Unique to this temple is the ritual where jaggery water (Panakam) is offered to the deity, believed to be consumed by the Lord himself. The temple's spiritual ambiance and panoramic views make it a must-visit.

**DHYANA BUDDHA STATUE,  
AMARAVATI**

**UNDAVALLI CAVES**

These 4th-century rock-cut caves showcase a blend of Hindu, Jain, and Buddhist architectural influences. Carved out of solid sandstone, the multi-storied caves house a massive monolithic statue of Lord Vishnu in a reclining posture. The site reflects the religious harmony and architectural prowess of ancient India.

Perched atop a hill, Kondapalli Fort dates back to the 14th century and was constructed by the Musunuri Nayaks. Over the centuries, it served various rulers, including the Qutb Shahi dynasty and the British. Adjacent to the fort is the Kondapalli Forest Reserve, home to diverse flora and fauna, making it ideal for nature walks and exploration.

**KONDAPALLI FORT & FOREST RESERVE**

**ATAPAKA BIRD SANCTUARY (KOLLERU LAKE)**

Located about 70 km from Vijayawada, this temple is dedicated to Lord Subramanya (Murugan). It's believed to fulfill the wishes of devotees, especially childless couples. The temple's serene setting adds to its spiritual allure.

**SUBRAMANYA SWAMY TEMPLE, MOPIDEVI**

**RAJIV GANDHI PARK**

Situated in the heart of Vijayawada, Rajiv Gandhi Park is a family-friendly destination featuring a mini zoo, musical fountains, toy train rides, and well-maintained gardens. It's an ideal spot for relaxation and children's recreation.

### **Make the Most of Your Visit!**

**Don't miss the opportunity to explore these captivating sites during your stay. Whether you're seeking spiritual solace, historical insights, or leisurely strolls, Vijayawada has something for everyone.**

# Kuchipudi Natyam

From the Sacred Village to the Global Stage

Just 50 km from Vijayawada lies the legendary village of Kuchipudi, the birthplace of one of India's most graceful and expressive classical dance forms.

Rooted in tradition and devotion, Kuchipudi is not merely a performance — it is a prayer in motion. Known for its expressive storytelling (Abhinaya), rhythmic precision, and spiritual elegance, it is a vibrant fusion of dance and theatre.

This page features two cherished performers from Kuchipudi village:

**Mrs. Padma Priya and Mrs. Asha Priya**

*– Artists from the very soil where this tradition began –*

Their performance reflects the timeless grace and living legacy of Andhra's cultural soul. Through each step and gesture, they carry forward a tradition that has inspired generations.

As we gather for SZUSICON 2025 in Vijayawada, we pay tribute to such cultural heritage — where science and tradition meet in harmony, and where healing finds rhythm in history.

## Thank you Note

As the lights dim and the halls grow quiet,  
We close the pages of SZUSICON 2025 —  
Not with an end, but with a memory stitched in time.

To every delegate who journeyed here —  
Your presence brought purpose to every session, every smile, every applause.  
To the Executive Committee of ASU,  
Thank you for the faith that allowed this dream to unfold.

To our industry partners,  
Who stood with us not just in sponsorship, but in spirit —  
We are grateful.

To the volunteers, staff, and organising team,  
Who gave their days and nights, their energy and heart —  
You are the unseen hands behind every visible success.

To our families, who let us chase perfection —  
This wouldn't have been possible without your silent strength.

This wasn't just a conference.  
It was a symphony of science and soul.  
A celebration of legacy and learning.  
A gathering that reminded us why we belong to this community.

As we draw this chapter to a close,  
We do so with full hearts, meaningful memories, and renewed motivation.

Thank you for being a part of SZUSICON 2025.

**With warm regards,  
Team SZUSICON 2025  
Vijayawada**
