 yenurology@yenepoya.edu.in

Dear Colleagues,

It is our proud privilege to welcome you all to the one day CME: Live operative workshop "Newer Surgical Robots" conducted by Yenepoya Institute of Nephro Urology in collaboration with Association of Southern Urologists and Robotic Urology Forum.

The program will focus on state of art lectures and live case demonstrations by national experts using SSI Mantra, Medtronic and CMR, thereby familiarising the complexities of the ever changing field of robotic assisted surgeries. It will be an academic feast for the novice in robotic surgery as well as those who would like to upscale from laparoscopy to affordable robotic platforms currently available in India. We have invited three eminent operating faculty who are well known for their excellence in robotic surgery.

Mangaluru is the largest city in Dakshina Kannada district and is one of the most cosmopolitan non-metro cities of India. It is well connected by air, rail and road to all the important cities like Bengaluru, Chennai, Hyderabad, Kochi, Delhi, Mumbai, Kolkata etc.

Thanking you in anticipation.

Warm Regards
Organizing Committee

HOW TO REACH

Mangaluru is well connected by Air, Rail and Road with all the important cities of India.

BENGALURU - MANGALORE

Indigo Dep 7:15 - Arr 8:20
Indigo Dep 15:30 - Arr 16:30
