## Course Organisers :

Cordial invite to you for participating in this one and half day Workshop . It's great opportunity for residents to present their clinical projects to master faculty . These projects can be their new proposal or thesis or ongoing clinical work. All projects will be reviewed and analysed by mentor faculty for suggestions , reviews and comments .

Selected projects will get opportunity for podium presentation and be selected for honours and awards.

Young ASU members too can send their project to ASU on ***asusecretariat@gmail.com***.

Hands on workshop provide one to one training on writing on different types of studies( PICOT Format) ,grant writing and scoping reviews.

Second day will enrich you with the masterly and erudite presentations from the experienced and esteemed faculty of eminence in field of research in health sciences.

we urge you all to make maximum benefit of this opportunity.

**KMC Manipal**

**Postgraduate Research Vertical**
