President's Column

Dear Members of ASU,

Warm greetings from the Association of Southern Urologists

I am immensely thankful to all of you for giving me this opportunity to be the President of this esteemed association. Today our Association has grown to be a well organized and reputed group even among the various zonal organizations of Urologists within India. The academic activities are among the best in the country.

After a successful annual meet at Vijayawada, Our association organized a webinar on 13th august 2025 on "Open access to the Kidney- principles , practice and pearls" . Leading Urologists that included Dr Madappa KM , Dr Muthulata N , Dr Frederick Paul , Dr G Ravichander and Dr T Rajaraman were the panelists and expert comments were given by Dr N P Gupta and Dr T Jagadeeshwar. The meet was well attended by the members.

Similarly another webinar was organized "A to Z RIRS" ON 24TH Sept 2025. Dr Chandra Mohan V and Dr Kandarp Parikh were the experts and a panel of young Urologists were the participants . More than 250 members participated in this webinar.

The prestigious midterm meet of the ASU that includes the Dr H S Bhat Midterm CUE is scheduled on 16th November 2025 at Yashoda hospitals Hyderabad and organized by Dr G Srinivas. The theme of the CUE is "Chase the changes in Urology". Several interesting topics are being covered by various speakers. I request you to participate in large numbers and benefit from these talks.

Dr Chandra Mohan has been working hard to set up several academic programs. I would request the long standing associate members to convert to full members by submitting your application and your degree certificate.

Wishing you all a happy festival season.

Thank you and regards,

Dr. Rajendra B. Nerli.

President

Association of Southern Urologists

Secretary's Column

Dear Members of ASU,

Warm greetings from the Association of Southern Urologists

ASU is one of the largest Zonal chapters of the Urological Society of India. Last year, a significant number of full members were approved by the GBM. Many youngsters who were associate members are realizing the importance of full membership and are voluntarily converting into full members. This is indeed a welcome sign. With this growth, we have now crossed more than 2000 members in total. In addition, our South Zone USI members are excelling academically, and we wish this success to continue in the future.

The Annual Conference of SZUSICON 2025 at Vijayawada was a grand success. With a record-breaking attendance of nearly 1000 members, the event marked a significant milestone for the society. The hospitality extended by the Vijayawada Association of Genito-Urinary Surgeons (VAGUS) was exemplary and widely appreciated by the delegates. The scientific program was thoughtfully curated, incorporating valuable contributions from both senior and junior members, ensuring rich academic discussions. This conference truly reflected the spirit of collaboration and reinforced our collective commitment to advancing urology through shared knowledge and professional networking.

The new council, under the leadership of Dr. Rajendra B. Nerli, President of ASU, has been very active and supportive in carrying out day-to-day activities during the first trimester of the academic year 2025-26. The TAPASU Annual Conference of Tamil Nadu and Puducherry, held at Puducherry, was a grand success with excellent participation and hospitality. In addition, two webinars were conducted, each attended by more than 200 participants. One webinar was on "Open Access to the Kidney – Principles, Practice and Pearls", which was highly appreciated by many members, while the other on "A to Z of RIRS" proved to be very useful for the younger members. The council plans to continue hosting such online webinars, providing valuable academic opportunities and resources for the youth.

We are looking forward to a busy schedule in the next two months with three state conferences and the Prof. HS Bhat Midterm. This year, the HS Bhat Midterm will be held in Hyderabad with the theme "Change the Changes in Urology", focusing on the most recent advances that have influenced urological guidelines over the last decade. I warmly invite all members to join this physical meeting in Hyderabad with enthusiasm.

I also encourage all members of the Association of Southern Urologists (ASU) to actively participate in the upcoming Urological Society of India (USI) National Conference at Indore and bring laurels to our association.

Last but not least, our Research Committee is making dedicated efforts to help junior members in preparing scientific publications, papers, and abstracts. This is a welcome initiative, and I urge our juniors to make the best use of this valuable support.

With best wishes,

Dr. Chandra Mohan Vaddi
Honorary Secretary,
Association of Southern Urologists

Report of 36th Annual Conference of ASU

The Association of Southern Urologists (ASU) proudly conducted its 36th Annual Conference – SZ-USICON 2025 at CK Conventions, Vijayawada, Andhra Pradesh, from 11th to 13th July 2025. The conference was hosted by the Vijayawada Association of Genito-Urinary Surgeons and led with distinction by Organising Chairman Dr. C.V. Sathish Kumar and Organising Secretary Dr. Dheeraj Kasaraneni, who made impeccable arrangements and ensured excellent hospitality for the delegates.

The scientific program, conceptualised and executed under the guidance of the ASU Council led by President Dr. G. Chengalvarayan and Honorary Secretary Dr. Chandra Mohan Vaddi, was intellectually enriching and spanned three full days of diverse academic activities. Highlights included eight focused masterclasses covering subspecialties, unique sessions such as Reclaim Urology, Youth Urology, Expert Talks, and the USI-ISU Joint Academic Session, as well as the much-appreciated BPH 360 Live Workshop organised by VAGUS. The prestigious HS Bhat Oration was delivered by Dr. Abdul Razack Mossadeq, while the P.B. Sivaraman Guest Lecture was delivered by Dr. A.K. Mandal. Academic contributions were showcased through eleven free paper sessions, five video sessions, five moderated poster sessions, unmoderated poster sessions, invited state best papers, best paper and best video awards, and the vibrant Quiz-o-Mania, which added an interactive and competitive spirit to the event. More than 1000 delegates from across the country attended, making this one of the well-participated regional meetings, with all participants praising the scientific richness, flawless organisation, and memorable culinary and cultural experience of Vijayawada.

The inaugural ceremony was graced by eminent dignitaries including Chief Guest Dr. D. Ramesh, Dr. Rajeev T.P. (President, USI), Dr. Uttam Mete (Secretary, USI), Dr. G. Chengalvarayan (President, ASU), Dr. Chandra Mohan Vaddi (Secretary, ASU), Dr. A.V.S. Reddy (Guest of Honour), Dr. Dheeraj Kasaraneni (Organising Secretary), and Dr. C.V. Sathish Kumar (Organising Chairman), Dr G Ajay , Treasurer. During the Inauguration the souvenir was released by Dr Rajeev TP President, Urological Society of India.

29. Letters from Members:

A letter was received from Dr. N Mallikarjuna Reddy, addressing a complaint forwarded by the Telangana Medical Council (TMC). The complaint originated from the Interventional Radiology Society, concerning a scientific program titled "Vascular Interventions in Urology for Urologists" scheduled on 12th October 2025. The Interventional Radiology Society alleged that the event was unethical and amounted to a promotional activity.

Dr. Mallikarjuna Reddy has submitted an explanation letter to the Telangana Medical Council, which was jointly endorsed by the State Urology Association.

The General Body Meeting (GBM) discussed the matter and felt that Dr. N Mallikarjuna Reddy seems to have adequate capability to do the said intervention and his intention on teaching does not seem to be unethical and recommended that it be referred to the ASU Legal Cell for review and ASU council to give an appropriate response.

Report of Recently Concluded State Annual Conference:

TAPASUCON 2025 (TAPASU Annual Conference) -

The 30th Annual Conference of TAPASU (TAPASUCON 2025) was held from 19th to 21st September 2025 at Aarupadai Veedu Medical College, Puducherry. The event was led by the TAPASU Council – President Dr. Periasamy P, Secretary Dr. Rajesh Rajendran, and Treasurer Dr. Induja – along with the Organising Team comprising Organising President Dr. K. Sudhakar, Organising Secretary Dr. R. Vinoth Kumar, and Organising Treasurer Dr. Rathnavel Kamarajan.

The conference witnessed an overwhelming response with 393 registrations from across Tamil Nadu and Puducherry. The inauguration session was graced by several dignitaries, including ASU President-Elect Dr. Jagadeeshwar, marking a prestigious start to the academic proceedings.

The scientific programme began with a pre-conference semi-live workshop on endourology, laparoscopy, robotics, female urology, and andrology, featuring demonstrations such as RIRS, PCNL, laser prostatectomy, robotic radical prostatectomy, nephrectomy with IVC thrombectomy, and female pelvic floor procedures.

Over 140 papers and posters were presented, with parallel sessions covering oncology, reconstructive urology, pediatric, female, sexual health, and transplant urology. Highlights included the S. B. Umapathy Endowment Oration by Dr. N. Ragavan, the Prof. D. Chandrasekaran Oration by Dr. Bobby Viswaroop, and the Kanyakumari Urology Club Oration by Dr. Prashant Motiram Mulawkar.

Prize sessions such as the Dr. N. Krishnamurthy Free Paper Session, the Dr. D. Thanikachalam Uroradiology Quiz, and the Salem Poster Prize inspired young urologists. Special focus on Artificial Intelligence and Robotic Urology highlighted the rapid progress and cost-effectiveness of Indian robotic systems.

Unique features included the Tamil Maruthuva Peravai session (conducted fully in Tamil) and the introduction of named halls – Dhanvantari, Sushruta, and Thirumoolar. With excellent ambience, hospitality, and a meticulously curated scientific programme, TAPASUCON 2025 was a resounding success, strengthening academic excellence and professional bonding among urologists of the region.

- He was elected as the UAK Secretary in 2011
- He became the HOD the post which he held till his superannuation in 2020
- The workshop he held on retroperitoneoscopy at Kovalam in 2018 was well appreciated.

Our heartfelt condolences to his family. May his soul rest in peace
