President's message

Dear Members,

I am sure all of you would be preparing to leave for the Silver Jubilee conference at Kochi from 8th to 10th August 2014.

The registrations have been good and it is heartening to see our members participation. The Hon Secretary has put up a interesting scientific program for the Conference. The Organizing team under the stewardship of Dr Krishnamoorthy are toiling hard to make this a memorable conference. It is a wonderful gesture to felicitate the previous office bearers of ASU on the eve of 25 years of our Association. I must compliment Dr Krishnamoorthy for the effort. Kochi is a great place to visit and I am sure the members would enjoy the scientific and social programs during the conference. Let us celebrate in KOCHI

Regards

Dr R Keshavmurthy
President -ASU

Editor's note

Dear friends,

You may be saturated reading my messages over the past 3 months, one more for the record! The road to Kochi has been bumpy, but you can be rest assured the destination is going to be well worthy of a Silver Jubilee Conference. For those of you unfamiliar with Kerala, they have this unique brand of hospitality that will settle any troubled soul.

Our Annual event this year is flavored with an extra dose of festivity, an elaborate academic spread, not to forget the important Business meeting where we elect the next set of Office bearers, introspect our programs and set new goals.

This will also mark the end of my term, a period in which a lot has been attempted, some came up trumps others need some refinement. I thank the members for giving me an opportunity to express myself.

SILVER JUBILEE CELEBRATIONS OUT REACH PROGRAM

2ND OUT REACH PROGRAM
FEMALE STRESS URINARY INCONTINENCE
ORGANISED By DR ARUN CHAWLA, MANIPAL

KARNATAKA
UDUPI 26TH APRIL, 2014

A community awareness Program on Female SUI was held on 26 April, 2014 at Dr.T.M.A Pai Hospital, Udupi , under the aegis of Association of Southern Urologists and Dept. of Urology and OBG at KMC, Manipal. The program began with Welcome Address by Dr. Parvathi Bhat, Medical Superintendent, Dr.T.M.A Pai Hospital, Udupi. Dr. Keshava Murthy, President ASU highlighted the efforts taken by the Association to arrange the these outreach camps on different urological conditions in Southern India. He stressed the importance of awareness camp on disease like SUI in female. Women in India accept them as part of ageing and very few come forward to seek physician opinion. Col. (Dr) M. Dayananda, MS & COO, KMC Hospital, Manipal inaugurated the program and encouraged the department to have more such camps in satellite hospitals of Kasturba Hospitals. The Chief Guest Dr.

Dr. Rohini , Dist. Surveillance Officer, Udupi appreciated the effort taken by organizing committee to have a patient outreach awareness program on SUI in female.

She stressed that like other CANCER awareness programs we should have more outreach camps and awareness program which affects quality of life. She promised that through her department she will make efforts to spread awareness about this stress urinary incontinence to other remote areas of this district. Dr. Arun Chawla in his vote of thanks conveyed his gratitude to all his guests and the delegates and all patients who have come to attend this program. After the inaugural ceremony Dr.

Laxman Prabhu , HOD of Dept. of Urology KMC , Mangalore presented the over view of female SUI in Kannada. His talk was very well taken and appreciated by the audience. Dr. Bhamini K Rao, HOD of Physiotherapy, KMC, Manipal delivered a talk on conservative management of SUI in female. She explained about non- interventional treatment of this problem, which is very helpful in early and milder cases. Few patients shared their experiences and quality of life before and after the treatment by mid urethral tape and conveyed the strong message to the public with urinary incontinence to seek early attention of physician. The minimal invasive treatment by tapes gives excellent long term results as far their experience. This was followed by examination , evaluation and counselling the patients who have attended the program. More than 100 delegates attended this program and 25 patients of SUI were evaluated on that day.

The 2nd ASU-PROF H.S.BHAT MID TERM WORKSHOP will be conducted on 23rd November 2014 by Dr Sanjay Bhat in Kochi.

Theme - 'Vesical Dysfunction'.

Details will be announced shortly on the website.

REQUEST FOR CONTRIBUTIONS

We invite you to participate in the **first experiment of its kind – a self financing workshop.** The objective is to reduce dependence on Trade / Industry for sponsorships and create a working model for likeminded organizations. We invite you to contribute by cheque/ DD in favor of 'Association of Southern Urologists' payable at Chennai, kindly mention 'ASU HSB corpus', your name and membership number in an accompanying note.

SILVER JUBILEE CELEBRATIONS OUT REACH PROGRAM

**3RD OUT REACH PROGRAM
UROLOGICAL MALIGNANCIES
ORGANISED By DR GINIL KUMAR, KOCHI**

**KERALA
KOCHI – 10TH MAY, 2014**

Kerala chapter of ASU took up a program to educate the common man about Urological Malignancies, to detect early cancers mainly focusing on Carcinoma of bladder. It was planned to conduct the program in association with local organizations

First phase of the program was **Public education**. A patient education brochure was printed and distributed in Vypeen area of Ernakulam district, and nearby industries like FACT, Coir board where a high rate of malignancies are expected due to personnel and occupational factors. It was also planned for distribution in other industrial institutions through its employees association. About 20000 brochures are printed and half of it was already distributed by 1st week of May.

Dr Ginil Kumar, ASU council member representing Kerala attended a **general cancer detection camp** and made a **speech** on the importance of Hematuria and stopping smoking as part of the **second phase** of the Outreach program. It was arranged by Amrita institute and local NGO in Mattancheri on March 15th, 2014. Also an

article was written in Kerala Frame a Malayalam Magazine, in its April issue, on early detection of Haematuria and role of smoking in bladder cancer.

Third phase was to arrange cancer detection camps in the area where the patient information leaflet was distributed. A Urology cancer detection camp was conducted at Karuthedam Bank Auditorium, Malipuram, Vypeen on May 10, 2014, in association with Sradha, a voluntary organization supported by the Local MLA for early detection of malignancies in the area with support from Amrita institute of Medical Sciences. It was attended by Dr Keshav Murthy (President, ASU), Dr Ganesh Kamath (Secretary ASU), Dr Ginil Kumar (Council Member, ASU), Dr Muhammed Saheed, (Councilor, UAK), Dr Georgie Mathew, (Professor, AIMS) and the Post graduates and Para medical staff of AIMS. Reddy's Lab provided support by providing medicines and some of the investigations. The camp was well attended. Relevant investigation including Urine dipstick to detect microscopic haematuria, PSA, Ultra sound examination etc were available in the camp.

ASU NOTIFICATION – 2014

AGENDA - ANNUAL GENERAL BODY MEETING

Members may seek clarification from the undersigned if their names are missing from the members list.

Dr.Ganesh Kamath

Hon.Secy.-ASU

NOTICE OF RESOLUTIONS/AMENDMENTS TO ASU CONSTITUTION

AMENDMENTS TO ASSOCIATION OF SOUTHERN UROLOGISTS

1. EXISTING

3 b . To associate together in one corporate body all scientific personnel actively interested in practice of Urology in Southern states namely Tamilnadu, Kerala, Karnataka, Andhrapradesh and Pondicherry

PROPOSED AMENDMENT

3 b . To associate together in one corporate body all scientific personnel actively interested in practice of Urology in Southern states namely Tamilnadu, Kerala, Karnataka, Andhrapradesh, Pondicherry, Telangana, Andaman & Nicobar islands.

(Justification : The Parliament has passed the bill for creation of new state of Telangana after bifurcation of Andhra Pradesh. Hence it is mandatory to include it as separate state under Association of Southern Urologists. The Urological Society of India has amended the USI constitution in which the Southern region includes Andaman & Nicobar Islands. Hence we need to include the Andaman & Nicobar Islands as one of the constituents of Association of Southern Urologists.)

2. COUNCIL

EXISTING

The council of the Association shall consist of :

- a. Office bearers elected as per rule 10, two immediate past presidents and 4 members elected in the Annual General body meeting from the list of suggested nomination submitted representing each state of South India

PROPOSED

The council of the Association shall consist of :

- a. Office bearers elected as per rule 10, two immediate past presidents and 5 members elected in the Annual General body meeting from the list of suggested nomination submitted representing each state of South India provided the present AndhraPradesh Society of Genito-Urinary surgeons decide to continue the Association as it is run for Tamilnadu & Pondicherry where it is combined when the number of elected members can be 4.

3. EXISTING:

15. ELECTION

a. Notification of nomination to various posts will be done by the Secretary 3 months before Annual General Meeting.

PROPOSED AMENDMENT

a. Notification of nomination to various posts will be done by the Secretary 5 months before Annual General Meeting

4. EXISTING

15. ELECTION

c. All nominations shall reach the Secretary not later than 8 weeks before the date of Annual General Meeting

PROPOSED

c. All nominations shall reach the Secretary not later than 12 weeks before the date of Annual General Meeting

5. EXISTING

15. ELECTION

d. After scrutinizing the nomination the final list of nomination will be circulated by the Secretary to the full members of the Association 6 weeks before Annual General Meeting

6. EXISTING

15. ELECTION

f. The election shall be held by secret ballot at the time of Annual General Meeting

PROPOSED

F. The Election shall be held by electronic voting online 2 weeks prior to the Annual General Meeting and also during the conference on the day of the Annual General meeting for members who have not voted during the online voting process.

The results would be declared by the returning officer only after both the online and onsite voting is completed. The results have to be ratified by the Annual General Meeting after the Announcement by the Returning officer.

ANNUAL GENERAL BODY MEETING 2013

Date - 13th July 2013

Time - 5.15 pm onwards

Venue: Hall A - Infosys Global Training Campus, Mysore

The Meeting was called to order by the President Dr K S N Chary.

1. **Obituary** - A minutes silence was observed condoling the death of Dr S R Narayanan member from Tamilnadu.
2. **Opening Address by the President** –
Dr Chary welcomed the members of the General Body. He thanked his team members of the ASU Council for the effort and support for various schemes starting with the First Mid term meet in Chennai in September 2012. He highlighted the following - discussion on the Constitution, introduction of amendments and resolutions, updating the directory, accelerating the membership drive, launching of the ASU website and finalizing the Scientific program for the Annual Meeting and the ASU workshop on Best Practices in Urology.
3. **Approval of minutes** of the 23rd Annual GBM at Hyderabad. The minutes earlier circulated to members in the Newsletter and posted on the Website was passed - proposed by Dr H Krishnamoorthy and seconded by Dr A Mohan.
4. **Hon Secretary's report** for the year was delivered by Dr Ganesh Kamath. Copies of the report were circulated to the members and posted on the website as well. The report was passed – proposed by Dr Mallikarjun and seconded by Dr Pitchai Balashanmugham.
5. **Hon. Treasurer** Dr C Ilamparuthi read out the Treasurer report. The Audited Statement of account for the year was earlier circulated and also posted on the website. Special mention was made of the Corpus donations from the Org Comm of the 22nd Annual Meet at Chennai of Rs 3 lakhs, and USICON 2012 Bangalore of Rs 25 lakhs. The report was passed – proposed by Dr AVS Reddy and seconded by Dr D Ramesh.
6. **Approval of New Members** - A record number of 125 new member applications were received and scrutinized by the Council and placed before the GB. The new members list displayed and posted on the website earlier was approved.
7. **Awards for the year 2013** were read out as follows –
Prof H S Bhat Oration – Prof. G.K.Venkatesh, INU - Bangalore
Prof P B Sivaraman Endowment Guest Lecture – Dr Hemanth Tongaonkar,
Consultant Urologic Oncologist, P. D. Hinduja Mumbai
Khivraj Memorial Symposium – Dr A Mohan, Bangalore
Topic – Molecular Technology – Applications in Urology
Dr N Krishnamurthy Point/Counter Point debate – Dr. Ananth Kamath, Blore
Dr. K Ravishankar – Uro Radiology Quiz – Dr. S Vasudevan - Trivandrum
MIUC fellowship – No applications
Dr Ravindranath Travelling Fellowship – Dr Shivakumar V – INU Blore.
Dr A P Pandey Travelling Fellowship – No applications
8. **Budget for the year 2013-14** –
Financial Assistance for Academic activities of the zone
- grant of Rs 50,000/- for Pediatric Urology Workshop at Belgaum to be conducted by Dr R B Nerli in November 2013
- grant of Rs. 50,000/- for Pre conference workshop SZUSICON 2014 – Org. Secy
- a repayable advance of Rs. 50,000/- towards pre conference Workshop at SZUSICON 2014
- a repayable advance of Rs. 3,00,000/- as seed money for the SZUSICON 2014 Conference

- grant of Rs.50,000/- towards conduct of Workshop on Flexible scopy of the Urinary Tract Workshop – Dr Ilamparuthi, Govt Royapettah Hosp. – Chennai

There was some discussion regarding the number and quantum of grants and partial financial assistance and profit sharing from the proceeds. It was decided that all such workshops and meetings to be conducted under the aegis of the ASU should follow framed guidelines addressing the following issues –

- format of applications to be submitted to the Council about the meeting/workshop
- quantum of financial support and its nomenclature – seed, grant and partial financial assistance
- audited statements to be submitted & profit sharing of the proceeds to be done.

9. Academic Programs for the year 2013-14

- Mock exam by the USI- applications from 2 Academic centres in the South was submitted to the BOE. The BOE urged the zone to decide on the centre and submit the same before September 2013.

- Pediatric Urology Workshop under the aegis of ASU to be conducted by Dr RB Nerli at Belgaum on 16th & 17th November, 2013

- Mid Term Workshop termed – ‘ASU –Prof HS Bhat Mid term Workshop’ was approved by the council to be conducted from the Interest generated out of the corpus donation from USICON 2012 proceeds. The GB approved the inaugural event would be organized by Dr Ganesh Kamath in Chennai on November 24th, 2013. Members applauded the effort to showcase this event as a model CME without financial support from Industry and also raised the possibility of enhancing this corpus through member contributions. It was decided to issue notification inviting contributions on the website as well as Newsletter

- Flexibles in Urology Workshop – March /April 2014, Chennai to be conducted under the aegis of ASU. Details of this workshop was to be decided by Dr C Ilamparuthi and Dr Ganesh Kamath .

10. Financial Report on the 23rd Annual Conference of ASU at Hyderabad –Dr PVLN Murthy presented a summary of the accounts and gave a cheque of Rs.11.60 lakhs. He also proposed that a sum of Rs 3 lakhs would be donated towards the proposed Dr Nalini Venugopal CPC.

11. Report on the arrangements for the 25th Annual Conference of ASU -SZUSICON 2014

Dr H Krishnamoorthy, Org.Secy presented to the GB the special arrangements for an eco friendly – no frills, go green Silver Jubilee Conference were being made and invited members to avail of discounted registration. He announced the Annual Meeting of UAK would be held on the morning of 8th August followed by the Pre Conference workshop and Annual Meeting of ASU on 9th & 10th.

12. Venue for the 26th Annual Conference of ASU - 2015.

President Dr Chary explained to the house that as per rotation it was the turn of APSOGUS to host the 2016 ASU Annual Meeting, however as APSOGUS was hosting USICON that year they had made a request to ASU Council to allow them to host SZUSICON 2015 instead and request TAPASU to conduct the SZUSICON 2016. This was accepted by the council and also agreed to by TAPASU Council represented by Dr C Gauthaman – Hon. Secy and supported by Dr Ravindranath President TAPASU. APSOGUS informed the house they would finalise the venue and inform after their Annual State meeting in Vijaywada.

13. Election of Office bearers – The following candidates were declared elected unopposed

President Elect – Prof K Thiyagarajan , Villupuram,

Council Members –

Dr V Rajagopal – AP , Dr Arun Chawla – Karnataka.

As there were no nominations from Kerala the same was asked from the floor of the house - Dr Ginil Kumar was proposed on the floor of the house by Dr. Joseph and seconded by Dr. Krishnamoorthy.

He was declared elected as Council member representing Kerala. The returning officer

Dr Keshavmurthy announced the results of the ballot for the member representing Tamilnadu – Dr Nitin Kekre –Vellore.

14. State Council Secretaries presented their report on the State level academic activities, as well as the dates, venue of the forthcoming Annual Meetings. These details will appear in the Newsletter as well as on the website.

15. Amendments and Resolutions –

A discussion followed on the issues previously circulated to the members and the following emerged –

Amendments -

- Tenure of Council Members reduced to 2 years - was unanimously approved, however will come into effect only from 2015 onwards, as it has to be registered as a constitutional amendment and minutes approved at the next GBM.

- Ex officio status to State Council Presidents -

Members advised this was already adopted 10 yrs back but subsequently not included in the handbook. Discussion on the floor of the house from Council Secretaries and Presidents of yester years ensued and it emerged that this was passed by the GB earlier but not registered with the Registrar of Society, hence required repeat approval.

This amendment was approved by the GB.

- Include Lakshwadeep in the geographical definition of ASU jurisdiction.

All of the above amendments were approved by the GB.

Resolutions & decisions –

- **Treasurer post** to be available to members outside Chennai – approved by the GB and included as bye law in the Constitution – proposed by Dr Ramesh and seconded by Dr Mohan

- **Typo error** in the existing Bank account ‘Association of Southern Urology’ to be corrected as ‘Association of Southern Urologists’ – unanimously approved

- **Naming of the CPC proceedings after Dr Nalini Venugopal** – agreed by the GB after approval by the Council. It was accepted that the named CPC would be held alternate years and the interest proceeds of the corpus would be used to facilitate the discussant.

- **Acceptance of the Annual “ASU –PROF HS BHAT MID TERM WORKSHOP”.**

Unanimously approved by the GB and the details of its conduct as resolved by the Council would be posted on the Website.

- **One man one post** – following a circular from the parent body USI to disallow any USI member from contesting a post at the National level if he holds a post in any State level or Zonal Council. As this resolution was defeated in the USI, it was decided by the ASU GB to drop this resolution.

- **Renaming the ASU as ‘South Zone - Chapter of the USI’** on repeated requests from the Urological Society of India. Vigorous discussion followed and the following emerged at the GB –

- Renaming is an arduous and long legal issue involving approval by the GB, dissolution of the Association, transfer of assets and re applying to the Registrar of Societies - ASU remains part of mainstream USI - being the first registered Zonal body, it should retain this identity

- SZUSICON appended by the year will be used as the Annual Conference title as well as for banking purposes for the event.

- GB resolved this renaming issue will not be discussed again.

Electronic communication – it was agreed henceforth the primary mode of communication from the Hon.Secretary would be only electronic. As the cost of print and post was considerable, it was accepted that henceforth all official messages and Newsletters would be in e-form.

16. Any other issues –

- Members objected to industry sponsored sessions during the non plenary sessions and after some discussion it was agreed that the following to be passed as resolutions –

1. No Industry sponsored sessions will be allowed parallel during ASU academic sessions.

2. Hon Secretary supported by his scientific committee is empowered to restrict the number of papers and extend the duration of the non plenary academic sessions if deemed necessary, after informing and coordinating with the Org. Committee during the pre conference inspection visits.

3. Industry sponsored sessions will be allowed only before or after academic sessions, after obtaining prior consent of the Hon.Secy.

The President thanked the members of the GB for actively participating and for constructive suggestions.

AWARDS & PRIZES - 2013 -14

NAME OF THE PRIZE SESSION	1 ST PRIZE	2 ND PRIZE
DR.N SETHURAMAN BEST PAPER	DR BENEDICT SAMUEL, VELLORE	
BANGALORE UROLOGICAL SOCIETY PRIZE VIDEO	DR DEEPAK DUBEY, BANGALORE	1.DR R.P.SHRINIVAS, BANGALORE & 2.DR T MANOHAR, BANGALORE

DR RAVINDRANATH TRAVELLING FELLOWSHIP	DR.V.SHIVAKUMAR, INU-BANGALORE	

PROF. RAVINDRANATH TRAVELLING FELLOWSHIP 2013-14 – A REPORT

I, Dr Shivakumar V was selected for the Prof. Ravindranath Travelling fellowship 2013-14. I chose MPUH, Nadiad for my fellowship. During my stay I observed various urological procedures like robotic surgeries, laparoscopic surgeries, and various endourological procedures like RIRS, PCNL, and URSL etc. The faculty and fellow members were very cooperative and friendly. I also observed transplant surgeries and assisted the transplant recipient surgery. I attended the ward rounds regularly and attended the transplant meets and uropathology meetings regularly which were very useful and the discussions were very good. During my stay the institute conducted Transplant update program (west zone USI) which was very good and highly updated information was given during that program. I was fortunate to meet some of the stalwarts of transplant surgeries in our country during that program. They are also maintaining very good state of the art dry and wet labs for the training of residents and other visitors. Finally it was worth visiting the MPUH under this fellowship program and I am very grateful to the Association of Southern Urologists for providing me this opportunity.

**ANDHRA PRADESH SOCIETY OF
GENITOURINARY SURGEONS
XXVI - ANNUAL CONFERENCE**

Date: **8TH - 9TH NOVEMBER 2014**,
Venue: Rangaraya Medical College
Auditorium
Place: KAKINADA.
Organising secretary: Dr B Surendra babu
Contact No: 9848528954, 9441811442
